

SBE Parents/Guardians-

Yesterday you received communication from our Superintendent, Andy Stenson regarding LMUSD's plan and response to recommendations from the County Health Department, State Department of Health and CA Governor. This message included guidance on gatherings across the state that also impact our school. Unfortunately, the events listed below will be **cancelled until further notice**. We are looking at options for postponement for some of these events, dependent upon the guidance of County and State Departments of Health.

- **Youth Choir Performance** (Originally scheduled for March 19th)
- **Awards Assemblies for 4th-6th** (Originally scheduled for March 20th).
- **PTO Auction/Dinner** (Originally scheduled for March 21st--*Postponed date TBD*)
- **Talent Show/Practices** (Originally scheduled for March 30th--*Postponed date TBD*)
- **All upcoming field trips to the Clark Center**

The above reflect events through the month of March. This is a continually changing situation so please keep up to date by visiting the [LMUSD Website](#) and [Shell Beach Elementary Website](#).

Other events later in the year are pending as we monitor the situation.

While we are having to change some of our normal procedures, we are dedicated to follow the guidance of public health officials regarding this evolving health situation. As in all other things in life, knowledge is power and in that vein I have linked communication from the [CA state Governor](#), [CA Dept of Health](#), and [San Luis Obispo County Office of Education](#).

Finally, I would like to extend my deepest respect and gratitude to all parents and students for your incredible support and concern in regards to this evolving health situation. I am grateful that at this time we are in a position to gather accurate information and support each other in a proactive and calm manner. Our hearts go out to families in other areas of the state and country that are in more difficult and stressful situations.

As always, please feel free to contact our office if you may have any questions.

Best regards,
James
