What We Do For You

★ Guide students one-on-one through an academic 4-Year Plan
★ Talk with students any time they have a question or concern
★ Monitor academic progress
★ Meet with and counsel students who are not meeting their potential
★ Communicate with parents to make sure they are aware of their child's progress
★ Devise interventions for students not meeting their potential
★ Encourage & motivate students to do their best
★ Help students and parents understand graduation and 4-year college A-G requirements
★ Help students pick classes each year
★ Help students earn their high school diploma & be prepared for the future of their choice
★ Provide a safe, welcoming place where students can get help with anything for any reason at any time

At Rowland High School, we practice the three R's: rigor, relevance, and relationships. We counselors think of ourselves as specialists in the “third R.” By meeting with your child early in their career at RHS, we start to develop relationships that we will nurture throughout their time at Rowland. We get to know your child individually so that we can meet their academic, college & career, and emotional needs in a personalized way.
