Please note that the federated tuition rate does not reflect the full cost of providing a quality Christ-centered education to your child. All students benefit from the generous contributions of surrounding congregations, generous individuals, and ministry minded organizations who believe in the mission of Lakeside. If you believe the Lord has blessed you with financial resources above and beyond your family's tuition rate, we ask that you prayerfully consider making a donation to the school to help continue to support Christian education in our area.

\* Some classes and activities may incur an additional fee.

\*\*This plan automatically withdraws monthly (ACH) from your account. Final payment for graduating seniors will be due by May 10.
