Students are to remain in the cafeteria until they are dismissed beginning at 7:35. **Students should not arrive at school before 7:00 a.m.** Students participating in the Co-Op program must leave the building at their appropriated time. At the close of the school day, all other students should vacate the building and parking lot areas unless they are involved in a school activity or are waiting for a school bus. Eagleville School will observe the following time schedule and bell signals:

7:00	Unlock doors, students report to cafeteria
7:35	Dismissal from the cafeteria begins
7:45	School begins

SCHOOL CLOSINGS

During the winter, schools are sometimes closed due to inclement weather. As a reminder to parents, Rutherford County Schools uses multiple layers of communication to announce school closings for inclement weather. The district notifies all news outlets, print media, updates the district webpage, the RCS Twitter account (@rucoschools), the RCS snowline (615-904-3883) and sends a message to parents directly via phone, email and text.

When schools open two hours late, it simply means the first bell time for each school will be delayed by two hours. So, for example, if your child's school normally begins at 7:30 a.m., the school will begin at 9:30 a.m. on delayed days. The same is true for bus stop times and if the school day is shortened because of weather.

Buses always run when schools begin late unless we notify parents otherwise.

STUDENT RESPONSIBILITY

- Know and adhere to reasonable rules and regulations established by the Rutherford County Board of Education and Eagleville School.
- Respect the human dignity and worth of every individual.
- Refrain from libel, slanderous remarks and obscenity in verbal and written expressions.
- Study and maintain the best possible level of academic achievement.
- Be punctual and present in the regular school program.
- Dress and groom in a manner that meets reasonable standards of health, cleanliness, modesty, and safety.
- Maintain and/or improve the school environment, preserve school and private property, and exercise care while using facilities.
- Refrain from behavior which would lead to physical or emotional harm or disrupt the educational process.
- Respect the authority of school administrators, teachers and other authorized personnel in maintaining discipline in the school and at school sponsored activities.
- Obey the law and school rules.
- Possess on school grounds only those materials acceptable under the law and accept the consequences for articles stored in one's locker, back-pack, and other personal possessions.
- Bullying will never be tolerated and policy will be followed.

CLASSROOM RESPONSIBILITIES AND RULES

Teachers will explain classroom expectations/rules/procedures to all students at the beginning of each school year. Students are to observe these rules or be subject to disciplinary action. Repeated or excessive misconduct will result in the referral of the student to the office.

THE SCHOOL DAY

The school day begins at 7:45 a.m. Students must be in their classroom by this time each day or they will be counted as tardy to school. The school day ends at 2:45 p.m. School buses begin to depart promptly at 2:45. ***Any change in the normal procedure of going home MUST be preceded by a note from the parent explaining the reason for the change and must be signed by office staff before 8:00 a.m. Phone calls WILL NOT be honored except in cases of extreme emergencies.*** Before leaving home, please let your child know if any changes will be made in the afternoon pick-up. ***Signing children out after 2:30 p.m. is discouraged. If your child needs to be picked up after 2:30, we encourage parents to use the car rider line.*** We understand that emergencies do arise, however changing transportation, verifying the parent contact, and relaying messages is a complicated process and endangers the safety of our students. We cannot allow the security of any child to be at risk. ***School officials are not responsible for transportation changes.*** Car riders and walkers will be dismissed at 2:50 p.m. from the front of the building only. No parking behind the playground.

ILLNESS AT SCHOOL

Students who become ill while at school must report to their teacher to be sent to the school nurse. It is imperative that parents inform the office of any changes in residence or phone number over the course of the school year. Injuries requiring medical attention will be handled on an emergency basis. A parent or guardian will be notified immediately. Students should not be sent to school vomiting or with a fever.

MEDICATION

Parents must complete the appropriate medical form if their child needs to be administered medication at school. These forms are available from the school nurse. Parents must deliver the medication to the school nurse. All prescription medication must be in the original pharmacy labeled container. All non-prescription medication given in school must be brought in the original container. **Students are not permitted to have medicine in backpacks, purses, pockets, etc. UNDER NO CIRCUMSTANCES SHOULD A STUDENT BE ALLOWED TO TRANSPORT MEDICATION OF ANY KIND.**

School officials or teachers will not routinely dispense medication to students except in unique situations in which the child's health is dependent upon emergency medical aid. If you have any questions regarding medication administration at school, please contact the school nurse at (615) 904-6710 ext: 25913.

COMPUTER USE

Students and parents will be required to sign a technology permission authorization. Disciplinary action will be taken for inappropriate use of any school technology.

DELIVERIES

Items delivered to school from the florist, etc., will be delivered to the students at the end of the day. The school is not responsible for student deliveries. No outside food may be brought in the cafeteria.

DRIVING THROUGH SCHOOL ZONE AND ON CAMPUS

Please think Safety First when driving through the school zone and on school campus. Please do not talk on your hand-held mobile phone while driving in a school zone. As of January 1, 2018, it became law. A few moments away from the phone and paying attention to your surroundings will be appreciated by all.

VISITORS TO CAMPUS

Eagleville School is a closed campus. Visitors are not permitted except for official reasons approved by the principal. Students are not to bring guests to school. Our full-time efforts must be directed toward our own students. **Social visits are not allowed. Students that are not enrolled at Eagleville School are not allowed to eat lunch with our students.** All visitors are required to come to the office and present their driver's license for a visitor's pass, which must be displayed at all times while on school grounds. **Visitors are not permitted to a teacher's room without an appointment. (This includes walking a child to the classroom.)** Parent involvement is a very important factor in the success of our school, however teachers need to keep students focused and on task without interruptions. Most visitor business should be handled in the office to avoid disturbing the teaching process. It is for this reason that we request that if you need to conference with a teacher, you schedule an appointment at a time convenient for all involved. Visitors are expected to leave promptly when their business is complete.

We believe that your child's learning atmosphere is of the utmost importance and should be protected. So, to avoid interruptions to valuable learning time, parents may drop off items or personal messages for students at the office. (In other words, parents will not be able to bring items to their children as to protect instructional time for all learners.) School personnel will see that the students are informed of the message or receive the necessary item at the appropriate time. Please assist us in limiting interruptions and protecting instructional time.

CONFERENCES

Two school-wide parent conferences are scheduled each year by the Rutherford County Board of Education, one in the fall and one in the spring. If a parent would like to request an additional conference they should inquire at the front office or email the teacher directly. All teachers are required to have a twenty-four hour notice prior to a parent conference.

CARE OF TEXTBOOKS

Textbooks are the property of the Rutherford County Board of Education and shall be returned at the end of the school year, upon completion of a course, or upon withdrawal from school. Parents are required to sign an agreement stating they will be responsible for the textbooks received and used by their children. If it is determined that there has been willful loss or damage of the textbook, the principal shall assess the appropriate fine and notify the parents in writing. The principal may include with the notice a provision stating that failure to pay the fine imposed within a reasonable time may result in the withholding of all grade cards, diplomas, certificates of progress, or transcripts until restitution is made to the school. The principal may waive the assessment of fines when in his

judgment the student is the victim of uncontrollable circumstances and not responsible for the damages.

SCHOOL PICTURES

During the school year a commercial photography company will make individual and group pictures. Students are given the opportunity to purchase his/her pictures if so desired. Although Eagleville School receives remuneration from these pictures, no pressure is put on the student to purchase the pictures.

FUND-RAISERS

Eagleville School will sponsor **ONLY 1** fundraiser per year– “One and Done-The Eagle Strut.” Clubs and athletics are not included in the above statement.

TRANSFER OF MONEY

No personal checks may be cashed at Eagleville School. This is a state law. Checks written for fees or fund-raisers should be addressed to Eagleville School.

STUDENT INSURANCE

School insurance is available to students as a special service. Athletic insurance is also available to those participating in sports. The school does not sell this insurance, but makes it available through an agent only as a convenience to the student. Insurance is only compulsory for school-sponsored athletics. These students must show proof of coverage or subscribe to the school insurance.

PARENT ORGANIZATION

Parents interested in participating in the school parent organization should contact their child’s homeroom teacher. We encourage and appreciate parent involvement.

STUDENT ACTIVITIES

After School Activities

A variety of sporting events, dances, & activities are scheduled by the school each year. A detailed schedule will be issued later in the school year. All school rules are in effect at these functions.

Athletic Eligibility

To be eligible to participate in athletics a student must present a doctor’s examination to the coach before the student will be allowed to try out for the team. The student must adhere to all rules and regulations of the school and team. Student misconduct may jeopardize eligibility and/or limit playing and practice privileges.

Buses are provided for all field trips. Students are to ride the bus to and from their destination. Students will not be permitted to leave a field trip other than on the school bus.

HEAD AND BODY LICE

Rutherford County Schools policy states prior to readmission, satisfactory evidence must be provided to school personnel that the student has been treated for head lice. A parent/guardian must bring the child to school the next school day after treatment for inspection by the school nurse before returning to class. For more details, please read the Rutherford County Schools Guidelines for Managing Head Lice.

HALL PASSES

Going from one room to another or from one section of the building to another, except between classes, requires a hall pass from the teacher in charge. Student aides must use hall passes at all times. **Public displays of affection (PDA), such as kissing, hugging, etc, is not allowed.**

COUNSELING DEPARTMENT

The primary function of the counseling department is to provide services for all students. The school counselor is available on a full-time basis to assist students with registration, testing and general school adjustment. Individual and group counseling is provided for students with personal and social problems. When a student wishes to see the counselor, an appointment should be made with the counseling office. Students must make an appointment before or after school, during lunch, or between classes. Late passes will not be issued for making a counseling appointment. Emergency appointments are always available. Parents may also make appointments to meet with the counselor to discuss their child's records, progress, etc.

LIBRARY

The library is designed to make supplementary resources available to all students at Eagleville School. Use of the library is encouraged within the rules and guidelines established by the librarian. Library books are loaned for a period of two weeks and may be renewed at the discretion of the librarian. If a book is lost, the student must pay the cost of replacing the book.

LOCKERS

Elementary lockers are available for student use and assigned by homeroom teachers. Students are responsible for keeping their lockers clean.

Lockers will be provided and locks are available to middle school and high school students for \$5. Students are responsible for keeping their lockers locked. Students are cautioned about giving their combinations to other students. Misplaced locks and/or damaged lockers caused by misuse will be charged to the student. The cost to replace a lost lock is \$5. Students are to keep the same locker all year and are not permitted to share lockers. School officials reserve the right to open and inspect any school locker at any time.

VANDALISM AND PROPERTY DAMAGE

Our school building and equipment are made available through taxes paid by all citizens of Rutherford County. Students who destroy or vandalize school property will be required to pay for loss or damages. Suspension or expulsion may result from the willful destruction of school property. Accidental damage to school property should be reported to a teacher or to office personnel immediately.

SUSPENSIONS

There are two types of suspensions, in-school suspension (ISS) and out-of-school suspension (OSS). All students who are suspended at any time during the school year (ISS or OSS) must take final exams! Students assigned to ISS should report to school at the regular time, but they must report to the ISS room. Co-op students must stay at school the entire day. Students present in ISS are not counted absent, and all schoolwork that is completed will count toward the nine-weeks grade. Teachers will send assignments to the ISS supervisor, and students should prepare for a full day of academic study. The most serious level of school discipline is OSS. During OSS, students are completely removed from the school environment, and are not permitted to participate or attend any school-sponsored activity (including extra-curricular activities and sports). OSS is considered an unexcused absence. Students will be given an opportunity to make up academic work for 80% credit and they must ask their individual teachers for assignments. They have five days to make this work up.

SATURDAY SCHOOL

Attendance is a key factor in acquiring the opportunity to achieve full development of every student's potential. In 2017-2018, The Tennessee Department of Education began requiring local school districts to adopt progressive truancy intervention plans for students. In coordination and cooperation with the local school board, director of schools, attendance supervisor, local truancy officers, and local juvenile court authorities, this past year we implemented a chronic absenteeism intervention Tier plan that included a Saturday School option for those students who were excessively tardy to school. This option would provide students with an opportunity to attend Saturday School instead of potential multiple days of In-School Suspension and Out-of-School Suspension for attendance-related tardiness to school. If a student chooses to attend the Saturday School option and does not attend, the punishment may result in another scheduled Saturday School or revert back to the original punishment.

BUS CONDUCT

The school bus is an extension of school; therefore, students shall conduct themselves in a manner consistent with the established standards for safety and classroom behavior. Students are under supervision and control of the bus driver while on his/her bus, and all reasonable directions given by him/her shall be followed. A student who is suspended from riding the bus cannot ride another bus until suspension is complete. Parents are responsible for transporting students whose bus privileges have been suspended or denied for disciplinary reasons.

Riding the school bus is a **privilege**. Improper conduct on the bus **will result** in the privilege being denied. The bus is an extension of the school and the same conduct is expected on the bus as at school. A student who rides the bus is to report to the cafeteria as soon as he/she arrives at school, and he is to report to his bus when dismissed. **Any student attending Eagleville School on a zone exemption must provide their own transportation.**

TOBACCO

Students are not allowed to use tobacco in any form, including electronic cigarettes and personal vaporizers, on the Eagleville School campus or at any school activity. They may not have any tobacco products in their possession, which includes lighters. Violators will be given an automatic suspension.

First Offense 2 days ISS Second Offense 3 days OSS

WITHDRAWAL FROM SCHOOL

When a student withdraws from school for any cause during the school term, he must follow guidance department procedures. All records must be cleared, textbooks returned, and indebtedness paid before a student's record can be released to another school for admission there. Students who transfer to schools within the Rutherford County School System but do not change their residence will be required to have a zone exemption form. The zone exemption form must be signed by the principals of both schools and the Central Office before a student can transfer.

DRESS CODE POLICY

Decency, good taste, and the normal standards of the community are to be maintained in dress and grooming by all students. The Eagleville School dress code has been devised with the idea of promoting a positive learning atmosphere and wholesome attitude for each student and the school as a whole. Any dress that is considered contrary to good hygiene, distracting or disruptive in appearance, or detrimental to the educational environment or the public image of the school will not be permitted. Students should follow these guidelines:

1. Student dress will not lead school officials to believe that such behavior, apparel, activities, acts, or other attributes are gang related or would disrupt or interfere with the school environment or activity and/or educational objectives.
2. Any dress considered too revealing will not be allowed. See-through outfits, bare midriffs, open backs, low-cut tops, tube tops, tank tops, halter tops, mesh shirts are not permitted. No skin should be visible between the shirts and pants while sitting or extending hands over head. Undergarments must be covered. No cleavage shall be shown.
3. Shoes must be worn at all times. (No house shoes) Sunglasses are not to be worn in the building unless prescribed by a doctor for inside wear.
4. Shorts and skirts must be as long, or longer, than the tip of the longest finger when the students' arms are extended along the side of the body. Biking shorts, spandex, tights, pajamas or boxer shorts are not permitted. Skin or under garments may not be seen through clothing.
6. Clothing, accessories, or any item that pertains to or advertises substances which are illegal for children (drugs, alcohol, tobacco products, etc.) or which are otherwise inappropriate (profanity, sex, obscenities, violence, gang related, etc.) are not to be worn or brought to school.
7. Hats, hair-picks, stocking caps, hair curlers, and other head coverings including disruptive hair styling may not be worn to school.
8. Dress Down Days/Special Events/Spirit Days: Scheduling for dress for these days will be under the direction and discretion of the individual principal.
9. Blankets are not allowed. They are to be left at home.
10. The principal or assistant principal will make the final judgment concerning attire or accessories that do not fall into one of the above categories but may still be considered inappropriate or disruptive to the educational program.

When a student is attired in a manner which is likely to cause disruption or interference with the operation of the school, the principal will administer appropriate consequences. These consequences include, but are not limited to, calling parents to bring appropriate clothing, detention, in-school suspension, and/or other disciplinary action deemed appropriate.

Our goal is modesty and no distractions during the learning process.

ATTENDANCE POLICY

The Rutherford County Board of Education believes that attendance is a key factor in student achievement and therefore, students are expected to be present and punctual each day that school is in session.

The state of Tennessee has many laws that regulate school attendance. An unexcused absence from any class, study hall, or any activity during the school day constitutes truancy. ***Any absence without a note is automatically unexcused.*** Students in ISS are counted as present for the day. A student must be present for more than half of the class period to be counted as present.

The principal/designee shall send a letter to the parent/guardian immediately after five unexcused absences with a copy to the attendance personnel. Immediately upon the tenth unexcused absence, a second letter shall be sent by the principal/designee to the parent with a copy to the attendance personnel. (TCA 49-6-3007)

The name of any student who has been truant due to late arrivals and/or early dismissal may also be referred to the attendance personnel. The attendance personnel will pursue available means to facilitate and persuade the student's return to regular attendance. If a student's attendance does not improve significantly, both the student and parent shall be subject to court action. The attendance personnel or the principal may file charges against the parent or student if absences are excessive.

TRANSFERS/WITHDRAWALS

Students who transfer to schools within the Rutherford County school system but do not change their residence will be required to have a zone exemption form. The zone exemption form must be signed by the principals of both schools as well as approval by the Rutherford County Board of Education before the student may enroll.

The school will not transfer records to any other school until all debts have been cleared.

Parents wishing to withdraw their child from this school during the school term for any reason must complete the following:

1. Report to the attendance clerk to pick up a withdrawal form
2. Report to the library and cafeteria to clear any debts
3. Return all textbooks to teachers
4. Have **Guidance Counselor** put current grades on the withdrawal form, or request grades from teachers.
5. Report to the attendance clerk for final clearance.

ATTENDANCE

ATTENDANCE POLICY

Attendance is a key factor in student achievement, therefore, students are expected to be present and punctual each day school is in session. Absences will be classified as either excused or unexcused as determined by the principal or designee. Absences will be excused for the following reasons:

1. Personal Illness
2. Illness of immediate family member
3. Death in the family
4. Dental or medical appointments. It is recommended that these appointments be scheduled after school. The school may require verification of a doctor's visit.
5. Required court appearances, verification may be required.
6. Extreme weather conditions
7. Religious observances
8. Extenuating circumstances, with appropriate documentation, which in the judgment of the principal constitutes a good and sufficient cause of absence from school.

ABSENCES

A note from a doctor or the parent will be required upon the student's return to school. The note should include the reason for and the date of the absence. Upon returning to school, a student has five school days in which to submit a note. After that time period has elapsed, the absence will become permanent. The school may accept a written note from a parent or guardian verifying a student's illness for up to a total of 10 accumulated days during the school year. However, if a student is absent due to illness more than a total of 10 days, a doctor's note specifying inclusive dates for the illness must be submitted in order for any subsequent absences to be excused.

If there is an absence, the work missed may be made up within five days upon the return to school.

Truancy is defined as an absence for an entire school day, a major portion of the school day or the major portion of any class, study hall or activity during the school day for which the student is scheduled.

Please refer to Eagleville School's Chronic Absenteeism and Progressive Truancy Intervention Procedure plan by clicking [here](#).

TARDY

Being on time to school and class is essential for optimum teaching and learning. When a student is tardy, he/she disrupts this process for others and loses important learning time for himself. School bus transportation is provided free of charge to students of Rutherford County Schools. ***For this reason, tardies related to car problems, traffic, oversleeping, etc. will not be considered a valid excuse.*** To receive an excused tardy when late to school, the student must have either a doctor's statement or an official court notice, or a parent conference or telephone call and approval by the administration for personal illness. Promptness to class is also important. Students have five minutes between classes. The individual teacher will have class rules relating to tardiness to class. **Checking in late and early dismissals are both considered tardies.** Late students should sign in through the attendance office immediately upon arrival to school. The following list outlines the penalties assessed against students who are tardy (unexcused) to school (each semester):

MIDDLE SCHOOL (6-8):

1st offense-No penalty
2nd offense-warning
3rd offense-demerit. Each subsequent offense is 1 demerit.

HIGH SCHOOL (9-12):

1st offense	No Penalty	2nd offense	No Penalty
3rd offense	Detention	4th offense	Detention
5th offense	ISS-1 day	6th offense	ISS-1 day
7th offense	ISS-1 day	8th offense	ISS-2 days
9th offense	ISS- 2 days	10th and up	OSS-1 day

BELL SCHEDULE

School begins promptly at 7:45 and dismisses at 2:45. K-12 students arriving before 7:45 should enter through the front door and report immediately to the cafeteria. 9-12 student drivers should enter through the high school back door and report to the cafeteria. Students are to remain in the cafeteria until they are dismissed beginning at 7:35. **Students should not arrive at school before 7:00 a.m.** Students participating in the Co-Op program must leave the building at their appropriated time. At the close of the school day, all other students should vacate the building and parking lot areas unless they are involved in a school activity or are waiting for a school bus. Eagleville School will observe the following time schedule and bell signals:

7:00	Unlock doors, students report to cafeteria
7:35	Dismissal from the cafeteria begins
7:45	School begins
2:45	School is dismissed.

PERFECT ATTENDANCE

To be eligible for perfect attendance a student must be in attendance for a length of time equal to the state's minimum hourly requirement for a school day. To have perfect attendance in a particular class, a student must be present every day for over half the class period. Eagleville School offers positive incentives for regular attendance:

CHECK-OUT POLICY

Students will be dismissed only to parents, legal guardians, or a person listed as an individual authorized to pick up a student. If a person is not listed in the computer as an individual who is authorized to pick up a student, a parent must provide, in writing, permission to add an individual to the pick-up list. **Early dismissals are discouraged because they disrupt the regular learning environment.** Should a student need to be picked up *before the end of the school day*, the following steps should be taken:

1. **Pick up the child before 2:30.**
2. Upon arrival at school, the parent should go directly to the office and sign the dismissal sheet. A picture I.D. will be required before dismissal.
3. A school official will send for the student. Do not go to the classroom to get the student.

The following morning, return to the attendance office with a note. The note should include the following information: reason for absence/tardy, parent/guardian signature. Place the note in the basket. The admit slip will be marked either excused or unexcused. Show the note to all of your teachers. Students will be allowed to make up work in accordance with the Rutherford County Board of Education Policy.

Students have five (5) days to complete this procedure. After the fifth day, the absence will remain unexcused.

EARLY DISMISSAL/DISMISSAL PROCEDURES

Should a student need to be picked up before the end of the school day, the following steps should be taken:

1. **Pick up the child before 2:30. The office often gets very hectic after 2:30 and your departure can be significantly delayed.**
2. Students who are eligible for early dismissal must leave during the assigned period.
3. Students who become ill at school must report to the school nurse for observation and further instructions. In the event the nurse is not at school the student must report to the front office. Remaining in the restroom will be considered "cutting class". If it is decided that the student will leave school, the parent will be contacted. Students must sign out through the attendance office.
4. It is recommended that all appointments be made before or after school hours.
5. A school official must excuse the student any time it becomes necessary to leave campus. The procedure is as follows:
 - a) Bring a note asking to leave school to the attendance office before 7:45, make sure a parent's phone number is on the note.
 - b) Pick up an "Early Dismissal" note from the attendance office after the note has been verified.
 - c) Sign out in the attendance office when it is time for you to leave.
 - d) If you return to school the same day, sign back in.
 - e) When checking out early, to be excused from the classes you will miss you must bring in a doctor, dental, court, or bereavement note.
6. Students are expected to remain at school during special activities. Parents may come and sign their children out, but the absence will be unexcused with the exception of a doctor's note. No student will be allowed to leave during these times with anyone other than a parent or guardian.

Car Riders/Walkers

A student who walks or who is a car rider is to report to the cafeteria immediately upon arrival to school. **Students are not to arrive at school before 7:00 a.m.** Walkers are to leave school grounds immediately after they are dismissed. Students are not permitted to loiter on school property. Car riders will wait in their designated area until their ride arrives. Once students leave school for the day they will not be permitted to return to school unless they have specific school related business. **The school building should be cleared by 3:00 each day.**

Dismissal Procedures for Grades K-5 Car Riders

All car riders will be dismissed at the designated area ONLY. This policy is for the safety of our students and will be strictly enforced. **Please make sure to pick your child up in the car rider line.**

- All K-5 students are dismissed in front of the elementary building by vehicle. **Car riders are not allowed to have someone walk up to pick them up at the door.**
- All car riders are to have a car rider tag displayed in the front windshield. Anyone without a tag must park and pick up a tag in the front office. Parents are to form a line entering at the old gym and pull up as directed. Please stay in line and wait for your child to come to you. Please be patient as the safety of the children is most important.
- Elementary students riding home with a high school student will be dismissed to the student between 2:45-2:50. For the safety of these students, they must be picked up in the cafeteria. Students will not be released to the high school parking lot.
- All students riding with someone different than usual MUST have a note from the parent/guardian.
- **If you must sign your child out, please do so before 2:30.**
- Please try to let your child know how he/she is getting home BEFORE he/she leaves for school that day. Again, dismissal time is busy and hectic, and it is often hard to get late messages to the students.
- **All students must be picked up by 3:00.**

Dismissal Procedures for 6-8 Car Riders

Middle school car riders should be picked up at the middle school parking lot. Parents having students in more than one grade level should pick their children up in the front car rider line.

Transportation Changes

A student who is not a bus rider is required to bring a note from his parent verifying his method of transportation. A student must bring a note from his parent anytime a transportation change is necessary. A written request is also required when a change in bus transportation is necessary. **This request must be turned in to Mrs. Sisk in the front office for K-8 in the morning in order for it to be processed and approved by the administration.**

STUDENT DRIVING/PARKING

Driving and parking on campus is a privilege, not a right. This privilege may be revoked if the following guidelines are not closely followed:

- There is a 5 MPH speed limit on campus.
- Students will obey all lawful traffic rules while driving on campus. Students shall properly wear safety belts while vehicle is in motion.
- Students shall obey the new State Law "No cell-phone use while driving through school zones or on school campuses."
- Cars and parking lots are off limits during the school day.
- A parking permit for \$5.00 is required for parking on campus. The permit must be displayed in the vehicle while on campus. A copy of your driver's license, vehicle registration, and proof of insurance is required before a permit will be issued.
- Student parking is provided in the parking lot located behind the main building. Students are not to drive or park on the grass or dirt areas of the campus, or in areas designated for faculty/staff, visitors or any other area not authorized. Any student that does not comply could have his/her vehicle towed at his/her own expense.
- Students are not to associate with non-students who may be in the parking lot during school hours.
- Cars should be locked and students should leave them immediately upon arrival at school.
- Vehicles leaving campus at the end of the school day will give school buses the right of way.
- Drivers should always yield to pedestrians.
- Eagleville School and the Rutherford County School System are not responsible for damage or theft to or from an automobile.

OBTAINING A DRIVER LICENSE

Students seeking to obtain a driver license permit or a regular license must obtain a Certificate of Compliance (SF 1010) form from the school in which they are enrolled. The Certificate of Compliance takes into consideration a student's academic progress and attendance.

Note: The Attendance Department at the Rutherford County Board of Education will only issue Certificates of Compliance during the summer months when schools are not in session.

Certificate of Compliance (SF1010) forms are to be obtained in person by the student or parent/guardian before going to Driver Services Center. Forms will not be faxed or emailed to the Driver Services Center.

REVOCAION OF DRIVER LICENSE

Per Tennessee Code Annotated 49-6-3017, the school system is required to report to the Department of Safety any student between the age fifteen (15) to seventeen (17), who are not in compliance due to one of the following:

1. Failed to maintain satisfactory academic progress based on end of semester grading period.

When a student licensed to operate a motor vehicle is enrolled in a secondary school and fails to maintain satisfactory academic progress based on end of semester grading, the attendance teacher or director of schools shall notify the Department of Safety. A student who fails to maintain satisfactory academic progress based on end of grading may not be considered as being in compliance with this section until such student makes a passing grade in at least three (3) full unit subjects or their equivalency at the conclusion of any subsequent grading period.

2. Withdrawn from school.

“Withdrawal” means a student has accumulated more than ten (10) consecutive or fifteen (15) total days of unexcused absences during a single semester. After having withdrawn from school for the first time for the purpose of this section, a student may not be considered as being in compliance with this section until the student returns to school and makes satisfactory academic progress or reaches eighteen (18) years of age. “Satisfactory academic progress” means making a passing grade in at least three (3) full unit subjects or their equivalency at the conclusion of any grading period. For second or subsequent withdrawals, a student shall have all driving privileges suspended until the student reaches eighteen (18) years of age.

Students deemed out of compliance at the end of a semester based on criteria one (1) or two (2) above will receive a letter from their school principal that will serve as a formal notification that the Tennessee State Department of Safety has been notified of the non-compliance. Concerns regarding facts included in the letter are to be addressed to the school principal within 7 days from the date of the letter. Procedures for administrative review and/or hearing by the Tennessee Department of Safety are addressed in T.C.A. 5-50-511 and T.C.A. 55-50-512.
