8:30 - 11:30 3rd Period
11:30 - 12:00 Break
12:00 - 3:00 Faculty Office Hours

- This is the last week of classes for our seniors...and only three weeks of classes remain for everyone else. We’ve come a long way this quarter and faced down some BIG challenges together. So let’s FINISH STRONG...TOGETHER. Keep working hard right up to the end of the semester. You will always remember what you accomplished in the spring of 2020...what we accomplished together as a united Salesian Family.

- Returning Students & Parents - If you will be returning to Salesian next year, please contact the finance office ASAP to make arrangements for registration. We are able to accept a downpayment to reserve your space. We have begun student scheduling. You must be registered before we can assign you to any classes.

- We are grateful for the great leadership and Mustang Pride demonstrated by our seniors this year. None of us will ever forget 2020 for sure due to the coronavirus. But at Salesian, we will also always have great memories of this year due to our awesome Class of 2020. Salesian is a better school and faith community thanks to our seniors. We send our thanks and prayers to them as we get closer to their graduation day.

- The Superintendent of Catholic Schools, Mr. Paul Escala, has announced that the COVID-19 school closure will extend to the end of the school year. You may read a copy of his statement on the school website. Although we are disappointed that we will not be able to reunite as a school community on campus this year, we support the decision to protect the health and safety of our students, parents/guardians, and faculty/staff. Your teachers will continue to work closely with you over the next three weeks to make sure you have the academic credits you need to move on to the next grade level. LET’S FINISH STRONG TOGETHER.

- AP exams begin this week. We wish the best of luck to all of our Mustang AP students. Thank you for challenging yourselves with AP classes...now dig deep and put forth your best effort on the exams. Thank you to the AP teachers who worked diligently all year to prepare our students!
- We are so proud of the dedication and commitment of our teachers and students to make the best of this challenging time. By working together, you have kept the Salesian Spirit alive and have proven that distance can not stop our mission to “love, teach, and inspire.”
- We recognize that the stay at home orders and on-line learning model may create a sense of isolation or separation for many in our community. Please seek ways to care for your spiritual and social-emotional health during our closure. Your counselors are available each day and can refer you to our CPLA staff if necessary. Stay in touch with your teachers and friends via virtual meetings, attend on-line morning mass with Fr. Jim, get adequate rest and exercise, and spend some time connecting with your family.
