

Sabio

Community Service Project

The house of Sabio is coordinating a service project to help the community this winter season!

We will be collecting items to donate to The Journey Home, whose mission is to help the homeless and disadvantaged community right here in Rutherford County.

Each grade level will be collecting 1 item from
December 6th – December 19th

We have two great weeks to help make a difference in someone's life this season. Students will place all items in the commons area by their house sign in the designated boxes.

The items can be for men, women, and/ or children in various sizes.

KR and Kindergarten – gloves

First Grade – winter hats

Second Grade – socks

Third Grade – scarves

Fourth Grade – travel toiletries (toothpaste, soap, mouthwash)

Fifth Grade – travel toiletries (lotion, toothbrush, deodorant)

Students don't forget! Each item you donate = one house point!

Thank you for your help in serving our community.
