

Cranberry Cole Slaw

Ingredients:

- 1 package Cole slaw mix
- 1 package Dried Cranberries (your favorite, I use cherry)
- 2 cups Slivered almonds

Directions:

Combine all above ingredients in a bowl.

Dressing:

- 1 Cup mayo
- 2 Tablespoons sugar
- ½ Cup milk

Combine ingredients of dressing and more or less of each depending on taste. Then add to slaw mixture. You may add more or less of dressing ingredients depending on how wet or dry you like slaw once combined.

Note The longer the cole slaw mixture rests, the wetter the slaw becomes.
