January 9, 2020

Dear St. Elizabeth Families,

Happy 2020! I hope the new year is off to a great start for you and your families.

Now that we are back to school, I remind you to please check the uniform code in the Handbook to be sure the children are adhering to the policies. Also, it is necessary to have students wear a coat to school. I know the temperatures fluctuate greatly, but they really should be wearing a winter coat. Downstairs in the lost and found we have many fleeces without names. If your child is missing their fleece, please feel free to look to see if it is there.

At the end of this month we will celebrate Catholic Schools Week. We will have Open House on Sunday, 1/26 following the 9am Mass and again on Wednesday 1/29 from 9-11. Please share this information with your neighbors and friends. We will be giving tours of our school and our current families will be receiving re-registration materials for the upcoming school year. Word of mouth is always the best advertisement.

I would like to thank all of our families who were so generous on Giving Tuesday. I will be sharing some of our news on upcoming purchases and plans for new programs in the next few weeks.

Finally, one of our 3rd grade students had brain surgery yesterday. She is doing well and it seems to be a positive result. Please continue to keep her in your prayers.

Have a great weekend.

Sincerely,

Karen A. Lewis

*Please remember it is flu season. The nurse has included some information to all our families.
