- This is a program that is designed to help you, the student, with the transition to Middle School!

**Who are the WEB Leaders?**

- WEB Leaders are **8<sup>th</sup> graders** serving as leaders and mentors to you, the 6th grader.

**What will we be doing?**

- Large and small group activities are planned to help you meet new people, have fun, and become more familiar with the school campus!

**We will finish with a campus tour and a pizza lunch.**

**Wear comfortable clothes and don't bring all your stuff... travel light.**

**Sneakers are a must.**

**Expect a call from your WEB Leader the week before orientation!**

**Parents-**

We look forward to working with your student and to start the year off with a positive step!

Please note that due to the size and scale of orientation, the date and time cannot be changed.

Students who miss orientation day will still participate with their WEB Leaders and group throughout the year!

- This is a student only function so please drop your child off to attend on his/her own.
- Please feel free to attend the PARENT MEETING that morning, hosted by the SPMS PTA. The meeting will start at 8:00 and is expected to last about an hour.
- The week before the orientation your student will receive a phone call from his/her WEB Leader personally inviting your student to orientation day and giving the details of where and what time.
- Because the day is active, please make sure that your student wears comfortable clothing that does not restrict movement; shorts are recommended. Also do not bring backpacks, purses or other like items.
- Sneakers are a must, as we will be in the Gym!
