Media Permission Statement

Here at Shekinah Christian School we love to show off our students and the amazing things they do. We love to celebrate their accomplishments and share with the entire school and community when something special happens. During the school year, staff and students of Shekinah may want to photograph or video your child for use in the newsletter, promotional materials, social media and/or the school's web site. The pictures may be of groups of students or individuals, and the students' names may be used in some publications. For student protection online, a student's photo and name will not appear together on the school's website.

We understand that there may be various reasons for parents not to want their children's photos to be published. We want to be sure that we abide by these wishes. In this social media driven world that this may mean certain things for your student. If you choose to have your student on our "Do Not Publish" list, this may mean that we ask them to step aside from a group picture of their class so that we can still publish it. It may also mean that if they win some sort of special award or recognition, we may choose not to announce it.

If you would like to opt out of any type of media for your student(s) please see the school office to sign the Media Opt-Out Form.

By initialing below I acknowledge that I have read Shekinah Christian School's Media Permission Statement.

Name _____ Phone _____ Relationship to student: _____

We understand that emergencies happen. If someone not on this list needs to pick up your student(s), please notify the office as to who will be picking up your student(s) that day.

One Call Now

Shekinah currently uses One Call Now to notify parents of important announcements such as school closings, etc. Announcements will be made between **5:30 a.m. – 9:30 p.m.** When the school makes the announcement, you will receive a phone call on the numbers that you specify. The caller id that will display on your phone is the toll-free One Call Now number 877-698-3262. When you pick up the phone, you will hear a short melody and then the message will play. If the program does not get an answer or gets a busy signal, it will continue to try to contact you throughout the day. We also announce school closings and delays on WBNS 10TV. Each family may have up to six phone numbers to receive announcements.

You also have the option to receive the One Call Now messages via text message. You would receive a text message in addition to the voice message. If you indicate below that you would like to opt in to the text message delivery option, you will be receiving a voice mail message on how to set that up or you may text the word “alert” to 22300 to get started.

Please fill out this form with the phone numbers that you want used for your family in the One Call Now system and then sign below.
