Upcoming SBAC Testing

All students in 3rd, 4th, and 5th-grade are preparing for the upcoming SBAC Assessment. The scores from the SBAC Assessment will become part of your child’s permanent education record. Please ensure that your child arrives at school daily as the teachers will be preparing the students for the upcoming test by reviewing strategies and previously taught skills.

Parent Contact Information

It is extremely important to update the Infinite Campus Portal on a regular basis. The school must have the correct home, cell, and work numbers so parents/ guardians may be notified immediately in case of an emergency. The school will not make any changes over the phone. Please come to the office to provide updated information or visit www.campus.ccsd.net/campus/portal to access the Infinite Campus Portal.
