

North Kingstown High School

Parent Newsletter

March 8, 2019

This weekend is the last opportunity to see our student production of "Les Miserables".

2019-2020 scheduling continues this week as students have individual meetings with their guidance counselor to review recommended courses and elective choices for next year. The week of 3/11 counselors will be meeting with Grade 10 students and the week of 3/18 they will be meeting with current Grade 9 students. Please remember that if a student wishes to override a teacher recommendation, the form must be submitted to guidance no later than April 5th.

IMPORTANT INFORMATION ABOUT GAP AND GOWN ORDERS - Please see the article in the Guidance Information section.

Important dates:

March

- 8 - 10 NKHS Musical (Les Miserables) See Attached
- 12 School Committee Meeting
- 13 No School - PD Day
- 26 School Committee Meeting

Girls in Technology

Girls from RI high schools are invited to compete in the GirlsGoCyberStart competition. Go to the website and register by March 20! girlsgocyberstart.org

2019 YEARBOOKS

Parents, if you had a concern about how your student's name was spelled on their id or portraits, please contact jessica_grant@nksd.net with the appropriate spelling. These pages will be submitted for the yearbook next week and we want to ensure that everyone has the opportunity to correct misspelled names.

Parents who are unsure whether they ordered a yearbook or not, please check with Josten's customer service as all sales are handled through their [website](#) . The yearbook adviser does not have immediate access to this information.

New England Institute of Technology Scholarships

Students who take Project Lead the Way courses at North Kingstown may be eligible for course credit at New England Institute of Technology and a \$3000 scholarship. Please check the link for more information: <https://www.neit.edu/Admissions/Programs-for-High-School-Students-Educators/Earn-College-Credit-in-High-School/Project-Lead-The-Way>

WindWin Energy Program

The WindWin Energy program course in Marine Safety will meet on Mondays and Thursday from 2pm to 3:30 beginning on March 18th and continue through May 2nd. This course will prepare students for the STCW-10 certification for safety while working on the water, and is the first of the additional CTE courses that a student can take to earn their WindWin Energy diploma endorsement to their CTE Engineering credentials. Course enrollment is limited and first preference for seats is given to students in the CTE Pre-Engineering program. All students enrolled in Principles of Engineering were sent an email with course information and a link to the enrollment form.

PTSO NEWS

Parent volunteers and refreshment donation needed on 3/14

On March 14th, NKHS will be hosting a community screening of "Suicide: The Ripple Effect". We are expecting hundreds of area teachers, students and parents to come out for this event, and will need your help to provide refreshments, sell tickets, help us set up and staff the event. If you are able to help out, take a look at the link below:

<https://www.signupgenius.com/go/70A0E4AAAAA2CA4F49-parent>

Smile – You're on Amazon!

If you shop with Amazon.com please consider logging in with Amazon Smile and selecting the North Kingstown High School PTSO as the organization, you will support with your purchases. To learn more and to sign up, click [here](#).

Suicide: The Ripple Effect

The NKHS PTSO and Student Assistance Office are proud to announce a screening of the film, "Suicide: The Ripple Effect". This is both a film and a movement for hope and healing. Question and discussion on the topic will follow the film.

When: Thursday, March 14, 2019, 5:30 PM

Where: North Kingstown High School Auditorium

Admission: \$3 in advance / \$5 at door

Reserve seats by sending a check to: NKHS PTSO, 150 Fairway Dr., N. Kingstown, RI 02852 or by clicking [here](#) and using the PayPal link

For more info contact: A.M. Finlay: am_finlay@nksd.net / (401) 268-6251

Volunteers Needed

The PTSO will be selling tickets for "Suicide: The Ripple Effect" during lunchtime the week prior to the screening. To sign up to volunteer, click [here](#).

If you have any questions or need further information about any of the above, please contact your PTSO - NKHSPTSO1901@gmail.com

Sponsored by New England Donor Services and the RI Organ Donation Awareness Coalition

Prizes for 1st, 2nd, 3rd place entries!

RI High School students can enter a poster featuring an awareness theme for organ & tissue donation Contest rules and details available on our website: <http://donatelifenewengland.org/poster-contest/>

Deadline to receive posters Friday, **March 1, 2019**

Awards ceremony will be held in April at the State House

Students can take the SCAD Challenge for a chance at a scholarship!!!!

Students can put their artistic vision on display for the opportunity to earn a scholarship to SCAD, The University for Creative Careers. The SCAD Challenge competition is open to current juniors and seniors in high school as of the 2018-19 academic year. Entries must demonstrate creativity, innovation and a strong understanding of aesthetics. A panel of SCAD faculty will review and evaluate submitted entries, and three winners will be selected from each category. Click [here](#) for more information or see Mrs. Strain for more details.

SCAD Challenge categories: • 2D design • 3D design and modeling • Animation and game design
• Fashion • Film • Graphic design • Performing arts • Photography • Writing

The next step for junior and senior entrants is to complete an undergraduate application for admission. Online applications and SCAD Challenge entries must be submitted by 5 p.m. ET Friday, Feb. 1, 2019. Winners will be announced **March 8, 2019**.

2019 Lindsay Ann Burke TEEN DATING VIOLENCE AWARENESS & PREVENTION POSTER CONTEST

February is National Teen Dating Violence Awareness and Prevention Month and this contest is meant to raise awareness during February.

Prizes are: First Place \$1000.00, Second Place \$500.00, Third Place: \$250.00.

This year's theme "**Break the Cycle of Violence**" focuses on what a teen can do to end an abusive relationship; for example: tell a friend, a parent, a school counselor, the police, & create & follow a safety plan, etc. Go to <http://www.labmf.org/> "FACTS" pages for more info

Deadline **April 5, 2018** - See Mrs. Strain for more details and paper for this contest.

2019 Ocean Awareness Contest: Presence of Future

Create a piece about a coastal/marine species, place, or system in 2019 that will be threatened, altered, or lost due to climate change.

Create a piece about a coastal/marine species, place, or system that will be threatened, altered, or lost due to climate change.

Contest [information](#) or click [here](#)

Theme: Presence of Future

Awards: Gold Award: **\$1,500**, Silver Award: \$1,000, Bronze Award: \$500, Honorable Mention: \$250

Making Waves Award: The Making Waves Award will be awarded to one submission in each age division that demonstrates a powerful, engaging, and original voice of ocean activism. Winners receive a \$250 cash prize.

Additional Awards Available in 2019: Over the course of the Contest, other awards may become available and will be listed on bowseat.org/contest. The winners of these awards will be chosen and announced at the same time as the category awards.

Deadline **June 17, 2019**

Guidance Information

Scheduling

Counselors will be meeting with students one on one during the first three weeks of March to review recommendations, answer scheduling questions, and to input course requests. Please note you will not be able to see the elective choices until we publish again which will be in the mid-April time frame. This is the

first step in the scheduling process. Elective courses are tentative until the master schedule is finalized in June. Override forms are due in the Guidance Office by April 5th.

Cap and Gown Orders

An email is being sent to all seniors regarding the options for purchasing a graduation cap and gown for the June ceremony. There are many options for “extras”, but students should be aware that all that is required is the basic \$40 for the cap, gown, and tassel. You will find this option at the bottom of the order form for individual items that is attached to the email. The extra tassel in the \$52.50 package is a nice souvenir but students will not be allowed to wear them on graduation day. Some parents have asked about reusing recent (within the past five years) cap and gowns. Please be cautious about reuse as the gowns are ordered based on height and weight, therefore you do not want your student to stand out because their gown is too short or too long!

ASVAB

The ASVAB test has been rescheduled for Thursday, March 21st from 7:15-10:15. If you are interested in taking the test, please sign up in guidance prior to March 21st.

Scholarships

Please refer to the Guidance Website and The Class of 2019 Google Classroom for updated lists of scholarships for seniors.

Final Exam Schedules

Final exams are held the last four to five days of the school year, and students are expected to be present. Please remember to leave plenty of time for calendar adjustments for snow days. As a reminder, family vacations, or other activities that could have been scheduled for after the exam times, are not excused absences. Weddings, graduations or other special occasions over which families have little control in scheduling will be considered, but please make your request for excusal as soon as possible. For students who do have excused absences for final exams, make ups will be provided during the summer months by appointment. There will be no provision for early exams, and all exams must be make up by August 1st in order to update the transcript in time for the new school year.

From our Student Services Office

SURVEYWORKS!

Attention all parents, on Monday January 14th, our SURVEYWORKS! Window was opened across the district for parents to give feedback to each school. We value this information to help make informed decisions about programming and culture at our school.

Please take a few minutes to give us feedback at NKHS, we will also follow up with a personal email next week. Here is the sign in for the window that opened on January 14th;

[SURVEYWORKS!](#) The code to log in is: [23108family](#)

Thank you in advance!

Change in semester 2 protocols for students

Starting in the second semester (January 28th) students will no longer be able to have backpacks and coats in their last period classes. We have altered our schedule slightly to give students two additional minutes at the end of the day before buses leave to get their items. This time will not impact instructional time.

Students are asked to get all of their items at the end of the school day. We will hold buses for the first few days as students get use to the new pattern.

The other change in protocol is that students will only be allowed in one of three entrances at the start of the school day. Students can access the Main Office doors for bus drop off, the rear set of doors near the Senior Lot and drop off zone in the back of the school and by the Weight Room for those students coming up from the Junior Lot. All other entrances will be locked.

Attendance Counts:

NKHS was VERY pleased to be given a 5 STAR rating on RIDE Accountability report card. However, it was noted that NKHS has a chronic absence rate of 11% of students beyond the acceptable 18 days absent. Let's please try to be diligent about consistent attendance.

As we approach cold and flu season, please be mindful of absences. It takes just two days per month to be truant. If a student is ill and contagious, then keep them home.

Once a student has accumulated 5 days, a letter is automatically generated. The letter serves several purposes. First, is to increase communication between home and school about attendance. It also provides an opportunity to correct any errors in a timely fashion. Please bring doctor's notes with three days of scheduled appointment. If you receive a letter and have questions, feel free to call the Student Services office. Additionally, if you have documentation that needs to be submitted, the letter will be a nice reminder.

Are you interested in engineering, technology or other STEM-related fields?

Check out The Undersea Technology Apprentice Program which was developed to provide an opportunity for up to 20 students to study part-time for three weeks during the summer alongside NUWC Division Newport scientists and engineers. In the process, you will gain valuable insights by working with advanced technology while developing real world applications of science and math lessons learned at school! For more information, see the application:

https://www.navsea.navy.mil/Portals/103/Documents/NUWC_Newport/careers/application2019%20Open.pdf?ver=2019-02-06-174258-990
