

Website Design Assignment Sheet

You are going to be creating a website about yourself to be used as a portfolio of the skills and technology skills that you have. If you keep this updated during your high school career, you will have a great resource to share with colleges and potential employers!

The following websites are good examples of personal websites to refer to as examples. They don't follow our requirements, but it is a great resource to see a real finished product.

<http://www.callieschweitzer.com/>

<http://www.fiftycoffees.com/>

<http://ximenabeltran.com/>

REQUIREMENTS:

Home Page (Landing Page)

- Your name
- A professional photo of yourself
- An appealing background (This CAN be a photo of yourself.)
- A linked menu to the following pages: Goals, Bio, Skills, Portfolio, Contact

Goals Page (Must include)

- Education – Write a goal regarding where/what you see yourself after high school
- Personal – Write a goal that you would like to achieve on a personal level

Bio

- Write a paragraph about yourself, including such things as education so far, places you live, your hobbies, your family, etc. This biography should be at least 8 well-written sentences.
- Include 2 photos of yourself

Skills

- Technology – list 3 technology skills you have and include a link to show something you have made in or out of school that relates to that skill (ex. Video editing skills – linked to your How To Video)
- Professional – list 3 professional skills that you possess and an explanation, photo or link to show that skill (ex. Self confidence – linked to a photo of you giving a speech)
- Other Skills – list 1 other skill you have that doesn't fit in either of these and an explanation, photo or link to show that skill (ex Expert hunter-linked to a picture of you and your trophy buck)

Portfolio

- Label and link at least 5 items (not used above) that you have made in PIT (ex. Microsoft Publisher – link to your People Magazine)
- Label and link at least 1 item (not used above) that you have made in another class this year or last year

Contact

- Your address
- Your phone number
- Your school and /or personal email address
- Your social media accounts
