

Permission to Participate in Released Time Course in Religious Moral Instruction

As a parent or legal guardian, I give my permission for _____
(Name of Student)

to participate in the below described activity.

Activity Description: _____

Dates: From _____ To _____ Responsible Person: _____

Sponsoring Organization: _____

In giving permission, I am aware of the following conditions and requirements imposed by Greene County Schools. Signature below indicates awareness and agreement with these established conditions.

1. The Greene County Board of Education and any employee of said Board is to be held harmless in the event of accident, injury, or death occurring from the participation in the above described activity.
2. The minor named above may only participate at times designated by the director of schools or a designee for one class period per week. The class period shall be defined by the school scheduled time for the period and shall not exceed one hour.
3. This off campus activity shall not occur during periods of academic instruction in the core subject areas requiring an examination for state or federal accountability purposes.
4. Students must provide documentation to the principal or designee as proof of participation in the described release time course.
5. The district shall not be responsible for transporting students to and from the place of instruction.
