Tardy Policy

An effective tardy policy must be designed to make the most efficient use of the instructional day for all students. To this end, having students in class is key to educational success. To encourage students to be on time to class, and discourage time out of class, the tardy policy for Snyder Junior High School will be set up as follows:

Students are expected to be on time to all classes when a student is late he/she is to enter the classroom quickly and quietly. The teacher is to mark the tardy in Skyward and the administrators will give the appropriate consequence for the the number of tardies.

Consequences:

1st and 2nd Tardy

Student will receive a verbal warning

3rd and 4th Tardy

Student will receive lunch detention

5th and 6th Tardy

Student will receive a week of lunch detention and not allowed to participate in extracurricular activities during this time.

7th and 8th Tardy

Student will receive one day of AM or PM Detention

9th and 10th Tardy

Student will receive Saturday School

11th and 12th Tardy

Student will be assigned to one day of ISS (one day per each tardy over 11)

13th Tardy +

Student will be suspended or reverse suspension and referred for truancy

The consequences will start over each semester.
