

Get the Latest St. Barnabas News via School Messenger

In our continued effort to help the environment and to cut back on paper/copier costs, the majority of our correspondence with our families, including the weekly newsletter, non-emergency reminders and emergency information such as school closings, will be via School Messenger.

Therefore, it is important that your current email address(es) and phone number(s) are on file. Please create a School Messenger account at <https://go.schoolmessenger.com/#/home> to manage your preferences, read past emails that have been sent and check your email address(es) and phone number(s) that we have on file.

SchoolMessenger also allows information to be sent via text messages. You can participate in this free service just by sending a text message of "Y" to our school's code number, 67587.

Any changes to emails and/or phone numbers should be directed to Lisa Sarcinella at lsarcinella@stbarnabasparish.org.
