

Considering a Career in Health Care? Volunteer NOW to learn what it takes!

Volunteering at St. Luke's University Health Network is more than just providing a service; it is making a difference in the daily lives of our patients, staff and visitors. Our Volunteers are integral to St. Luke's, brightening the day of our patients, assisting our patients and visitors to navigate the hospital and assisting staff with various requests.

As a High School or College student, volunteering at St. Luke's offers a wonderful opportunity to be exposed to many aspects of Healthcare!

SKILLS YOU WILL LEARN:

Patient Interaction	Customer Service
Problem-Solving	Responsibility
Professionalism	Communication
Leadership	Teamwork & Relationship
Organization	Time-Management

VOLUNTEER NOW!

Complete an application at:
sluhn.org/volunteerNOW
or call us: **484-526-4600**.

By volunteering, YOU can:

- Learn more about healthcare career paths to help determine your future aspirations.
- Gain a better understanding of the college or technical program application process.
- Determine which classes will enhance your college/program application.
- Make connections within our healthcare environment by observing health care workers!
- Accumulate hours for future clinical programs.

Our high school and college opportunities are diverse!

Here are just a few areas you can explore as a volunteer:

- Inpatient Nursing
- Radiology
- Oncology
- One Day Surgical Centers
- Physical & Occupational Therapy
- Emergency Department (*college students only*)
- Public Health (*college students only*)
- Research (*college students only*)
- Pharmacy
- Retail
- Hospitality

We look forward to adding you to our stellar team!
