

TEKS Resource System

The Texas Curriculum Management Program Cooperative (TCMPC) provides content and support for this online curriculum management system which is designed as a resource for teachers, schools, and districts across the state.

All of the system's content is aligned to the most current Texas Essential Knowledge and Skills (TEKS) adopted by the Texas State Board of Education. The TEKS Resource System provides the curriculum framework for which teachers and schools can plan instruction that meets the needs of their individual students. ***Please contact your child's teacher or school in order to better understand how they are using the TEKS Resource System and its tools.***

This site provides curriculum and assessment components aligned to the most current versions of the State Board of Education-adopted TEKS for the following subject areas:

English Language Arts and Reading (grades K-12)

Mathematics (grades K-12)

Science (grades K-12)

Social Studies (grades K-12)

Spanish Language Arts and Reading (grades K-5)

Spanish translated versions of Mathematics, Science, and Social Studies (grades K-5)

How to Access the Parent/Guest Portal

A screenshot of the 'Member District Login' form. The form has a dark blue header with the title 'Member District Login'. Below the header are two white input fields: 'User Name' and 'Password'. At the bottom of the form, there is a 'Remember me' checkbox, a 'Forgot Password?' link, and a 'Sign In' button.
