

Millburn High School Club for Causes

Taylor Park, Noon till 4:30pm on October 14th

Chariots of Fire Walk / Run

Benefiting St. Jude Children's Research Hospital

Finding cures. Saving children.

"No child should die in the dawn of life."

The mission of St. Jude Children's Research Hospital is to advance cures, and means of prevention, for pediatric catastrophic diseases through research and treatment. Consistent with the vision of their founder Danny Thomas, **no child is denied treatment based on race, religion or a family's ability to pay.**

St. Jude freely shares the discoveries it makes, and every child saved at St. Jude means doctors and scientists worldwide can use that knowledge to save thousands more children. Their groundbreaking research has helped push the survival rate for childhood cancer from less than 20% in 1962 to more than 80% today. Families never receive a bill from St. Jude for treatment, travel, housing or food — because all a family should worry about is helping their child live.

Millburn High School has been rewarded with a unique opportunity, St. Jude is partnering with MHS and helping us with our fundraising day with the hopes that this becomes an annual event. With the help of St. Jude we have secured Taylor Park for our day of festivities. As a community, we will band together and help the families and children with childhood cancer with their fight for a cure!

You are free to start your walk/run anytime between noon and 3:30pm. Our closing ceremonies start promptly at 4pm. Join us, and feel the adulation you deserve for helping children who are fighting to survive catastrophic diseases!!!

Everyone is welcome to join in our fight to end childhood cancer!!!

Register: fundraising.stjude.org/runwalk

Example page: events.stjude.org/MikeMHS this is what your webpage will look like!

1. Attach your personal mission statement.
2. Add your photo.
3. Register your unique URL so friends and family can donate to your page.

For High School Students: Link your Giving Page to Universities where you are applying / interviewing so Admissions can see your involvement!!
