CBC Mission Trip Quick Facts

Browning, MT

All of the CBC Mission Trips are coordinated and chaperoned by current members of the CBC faculty and/or staff. In addition to any service work, a MAJOR component of our mission trips is to immerse yourself into the culture and circumstances of the people you are serving. This is not a vacation, and you are not staying at a full service resort. That makes these trips a great opportunity to LIVE SIMPLY so that others may SIMPLY LIVE and to recognize the gifts available to us daily while also challenging ourselves to see where and how we could live without some of our luxuries when we return home.

Who? Mr. Chris Merris and one additional teacher will accompany 10 current CBC juniors who meet a minimum standard and are deemed best fit to represent CBC for such a trip.

What? Participants in this service/immersion trip will take part in experiences including (but not limited to) a tutoring elementary and middle school students while participating in the retreat program provided by the Christian Brothers in Browning, MT.

Where? De La Salle Blackfeet School (click here for more information and explore the O-KI-NI-SOO-KA-WA link located under the “Development” tab found on the left hand side of the home page of the school)
