Clint Harwick, Ed.D., Superintendent of Schools

March 18, 2020

Dear HBUHSD Community,

In response to the Governor's March 17, 2020 press conference and conference calls with school district leaders, the Board of Trustees held an emergency board meeting to discuss the extended closure of our schools and caring for our staff and students during this unprecedented and challenging time.

Huntington Beach Union High School District schools will be closed through Friday, April 17, 2020. We will evaluate this fluid situation in the coming weeks and extend the closure if necessary.

During this period, we will provide grab and go lunches to students from all school sites. Distribution sites will be at Westminster and Ocean View High Schools Monday through Friday from 12:00 pm - 1:00 pm.

The State Superintendent of Instruction, Tony Thurmond and the California Department of Education delivered guidelines for distance learning and enrichment activities on March 17, 2020. In addition, he suspended all state testing. We will continue to monitor advanced placement testing and provide updates when they become available. To ensure equity and access for all students, we are working to align our educational plan with state provided guidelines.

Lastly, principals are in the process of contacting custodial, maintenance and grounds workers, to begin cleansing and sanitizing school sites. Campus Supervisors will be present at school sites to ensure safety and security of our facilities.

For additional information, continue to check notifications via ParentSquare and visit our website at www.hbuhd.edu.

Stay strong, safe, and healthy,

Clint Harwick, Ed.D.
Superintendent
