

Otsego Middle School Annual Education Report (AER) 2018-19

April 12, 2019

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for Otsego Middle School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Principal Melissa Koenig for assistance.

The AER is available for you to review electronically by visiting the [MI School Data webpage for Otsego Middle School](#), or you may also review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our school has not been given one of these labels. Currently, we are struggling with students not being at grade level in reading. To help support this challenge, we have implemented a monitoring system in addition to STAR. Six Minute Solution screeners are done three times a year with all students and monthly with students who are below grade level. Students set reading goals for themselves and practice daily with a partner. Each ELA class has also established a non-negotiable of 10-15 minutes of DEAR daily within their classrooms. To assist students in a more

targeted fashion, Read 180 classes have been implemented for all grade levels for students who are less than 2 years behind target. Students who are more than 2 years behind will be provided a small group reading class to personalize their reading instruction.

State law requires that we also report additional information.

PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

All of Otsego's 6th – 8th grade students attend Otsego Middle School.

THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN

School Improvement Goals have been established at Otsego Middle School for the purpose of continued review and improvement of our entire academic program.

- By the end of the 2017-2018 school year, 100% of Otsego Middle School students will achieve 80% proficiency on a local fraction assessment. This goal was met and exceeded.
- By the end of the 2017-2018 school year, 100% of Otsego Middle School students who are economically disadvantaged will achieve 80% proficiency on a local fraction assessment. This goal was met and exceeded.
- All students at Otsego Middle School will be proficient readers. This goal is on-going and will be adjusted for the next school improvement cycle to reflect specific growth statistics (SMART GOAL).
- Students who are economically disadvantaged will improve their reading comprehension. This goal is on-going and will be adjusted for the next school improvement cycle to reflect specific growth statistics (SMART GOAL).
- All students at Otsego Middle School will be proficient writers. This goal is on-going and will be adjusted for the next school improvement cycle to reflect specific growth statistics (SMART GOAL).
- Students who are economically disadvantaged will improve their writing skills. This goal is on-going and will be adjusted for the next school improvement cycle to reflect specific growth statistics (SMART GOAL).

In the fall of 2012 Otsego Middle School began a new school improvement cycle. New goals were established using the information from our Comprehensive Needs Assessment/Student Data Plan to best develop a process that will be most beneficial to the specific needs of our student population. Pre and Post assessments were developed to address specific goals established for this particular school improvement cycle. Assessment data has been collected throughout the year to support our current school improvement goals. Best Practice Strategies have been selected and technology has been and will continue to be a key component in our instructional practice. Goal specific activities are continually

being planned and carried out to assist our staff and students throughout each school improvement process. All activities and strategies used have been designed to enhance student learning. For the next 3 year school improvement cycle we will establish SMART goals that Strategic and Specific, Measurable, Attainable, Results-based, and Time-bound. Each member of our staff participated on a School Improvement Sub-Committee to further address specific needs in our School Improvement Plan. Sub-Committees and their goals include:

School Leadership Team – this group works through building issues before engaging the entire staff. The goal is to create a culture that is committed to learning and a coordinated system of structures and processes to ensure high levels of learning for all of our students.

Student Assistance Team – the goal is to develop a collaborative culture that incorporates a philosophy of continuous improvement at our school. Staff members work as teams to gather and analyze information and make decisions regarding the modification of instructional practices to best meet the differentiated needs of individual learners.

School-Community Team – we believe that parents, families, and the community-at-large are partners in helping students and the school succeed. We will seek to actively and continually involve parents, families, and our community in student learning and other school related activities.

A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL

Programs and services located in the Otsego Public Schools include:

- Early Childhood Special Education - a special education classroom designed to provide preschool aged students with disabilities services to prepare them for Kindergarten.
- Hearing and Visual Consultant Services - specialists in the areas of hearing and visual impairments work with students in our local schools to support them in the general education classroom.
- Social Work, Speech Pathology and Occupational Therapy services are available to all students.
- Autism Spectrum Disorder Consultant Services - specialists in the area of Autism Spectrum Disorder work with both students and teachers in our local schools to support their success in the educational environment.
- Walk in services and small group learning opportunities for students with disabilities ages 3 - 5 who qualify.
- Level 3 Programs - these programs are designed to provide educational and functional services to students specifically in the area of Autism who need more intensive communication, sensory, independence, and behavior support both in the classroom and in life.
- Level 2 Programs - these programs are designed to provide educational services to students with disabilities who need more intensive learning support both in the classroom and in life.

- Level 1 Programs - these services are designed to provide students with disabilities academic and social support within the general education classroom and curriculum

In addition to the programs and services provided locally in the Otsego Public Schools, students with special needs also attend specialized county programs at the Hillside Learning and Behavior Center. Hillside's West campus houses programs for students with severe cognitive, physical, and neurologic impairments. Hillside's East campus houses programs for students with severe emotional and behavioral impairments.

IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL

As mandated by the State of Michigan, Otsego Public Schools has developed a core curriculum at all school levels. Outcomes to be achieved by all students have been defined based upon the district's educational mission, student performance objectives, Common Core State Standards, the Michigan Grade Level Content expectations and the Michigan High School Content Expectations.

Common Core State Standards are used in K-12 for English Language Arts and Math. GLCES are followed for all other subjects in K-8 and HSCES for all other subjects 9-12. Common Core State Standards are available online on the Curriculum and Instruction Webpage. For more information, please contact Heather Kortlandt, Director of Instruction at 269-694-7904.

We are very proud of all we do and offer at Otsego Middle School. We have a dedicated staff of 28 highly-qualified, certified teachers, a School Social Worker and 13 support staff (office staff, ancillary staff and custodians) who help our 531 students learn to their full potential. We are always looking at ways to improve student achievement on the individual student level and look forward to another great year ahead. Please look through our Points of Pride to see many great things happening at Otsego Middle School.

Sincerely,

Melissa Koenig,
Otsego Middle School Principal

Points of Pride:

- 3 LEGO robotics teams competed at two different competitions.
- WIN (What I Need) intervention was implemented twice a week to assist students who were not meeting weekly essential learning targets.
- 8th grade student mentors helped 6th & 7th grade students
- Big Brother & Big Sister mentors were utilized for students
- Annual canned food drive for Christian Neighbors

- Students raised over \$800 for Sylvia's Place a womens shelter for domestic violence victims
- Be Nice. Chapter hosted Friendship Friday lunchtime activities weekly.
- Community partnerships established and continued - Denso, Tengam, RoMan
- Lip Sync contest was held on the last day of school
- Dawgs Got Talent – students performed their talents at the annual talent show.
- All bands received the highest rating at festival
- 7th grade choir qualified for State.
- 7th & 8th grade volleyball conference champions
- Students participated in the 7th annual Midway Chevrolet Art contest.
- 6th, 7th and 8th grade art students participated in the Lions Club Peace Poster contest. One student's work was chosen to represent OMS. The Lions Club hosts a Peace Poster Competition every year. 6th, 7th and 8th grade art students participated in it this year. One winner from OMS was chosen and their art work was sent on to Districts for judging. From districts art work goes to state and then Nationals. The overall winner can win a trip to wherever the final competition is held (this year I believe it was Japan) and 5 or 10,000 in scholarship money.
- Girls & Boys track teams were undefeated.
- Girls track team undefeated for 2nd year in a row.
- Teen Leadership class for all 6th graders and attended field trip to Mel Trotter Ministries.
- 7th Grade Teen Leadership visited the Allegan Animal Shelter each trimester. Before visiting, they raised money for their shelter.
- Teen Leadership class was asked to present at a conference in Chicago.
- Teen Leadership class hosted numerous guest speakers to speak on being a positive leader.
- All 6th & 7th grade Social Studies classes received Junior Achievement.
- Parent Volunteers assisted with WIN.
- Students raised over \$6,000 for Moving for Moolah.
- 6th grade basketball was added for both boys and girls.
- STAND (Students Taking a New Direction) chapter was reinstated. Hosted a disconnect to connect family dinner and activity. They also hosted an after school movie event for students to view the movie "Wonder".
- Young Men Keeping it Real continued with 35 students.
- Assistance is given before school, lunch, after school and through website to assist students in Math.
- O Club is available through our counselor to assist students with organization and work completion.
- 67% of our students were on the Bulldog Pride List 1st trimester with a 3.0 or higher.

- 74% of our students were on the Bulldog Pride List 2nd trimester with a 3.0 or higher.
- 63% of our students were on the Bulldog Pride List 3rd trimester with a 3.0 or higher.
- 40 students received all A's all year.
- STREAM School partnerships created with the Kalamazoo Nature Center, Hope College, Michigan State University Kellogg Biological Station, Michigan State University Extension Office (Jackson Office)
- 48 students received Student of the Month awards
- Special education class learning valuable life skills and cooking/serving lunches for the staff
