Oscar Romero, Interim Principal

Robert Venegas, Jennifer Merkow, Assistant Principals

July 31, 2018

Dear Parents/Guardians:

I would like to take this opportunity to welcome you and your student to the 2018-2019 school year at Alliance Smidt Tech. I am excited and appreciative that you continue to entrust Smidt Tech with the responsibility of preparing your student for college. It is with great anticipation that we look forward to another successful school year and we are looking forward to meeting our new incoming group of 9th graders. This year will be my 7th year that I serve this wonderful community and we all look forward to beginning the new school year with 570 students and 38 staff members. We have assembled a very strong team of teachers and staff to meet the needs of all our students.

All of us at Smidt Tech are extremely proud to have witnessed three graduating classes since 2016. As we prepare for our fourth graduating class, our schoolwide focus this year will continue to be geared towards improving our student's math and literacy skills, increasing college acceptance, and increasing college perseverance of our last three graduating classes.

The 2018-2019 school year will begin on Wednesday August 8th. If you have any questions or concerns, please feel free to contact us at (323)-352-3206.

Sincerely,

Oscar R. Romero
Interim Principal

Every student has the ability. We give them the opportunity.
