

Good Morning McKinley Families,

We hope that you are all safe and well. To support your students throughout this current time we have created a plan to distribute student Chromebooks, learning resources, and personal property. Please see the plan below and plan to attend one of the distribution times.

- Pickup items at each student's homeroom classroom exterior door. (Parents will not enter the building and will receive a device and property bag at the door.)
- Limit the number of family members picking up items to a maximum of two.
- Maintain six foot spacing as marked on the sidewalk while waiting in line.
