From time to time the Maryland School for the Deaf (MSD) has opportunities to promote its programs, activities and events, and the accomplishments of its students through a variety of publications.

As a parent or guardian we would like to obtain your permission for student participation in photographs, videos, interviews, and the use of student work in publications and other media, such as but not limited to:

- Student yearbooks (the *MSD Cornerstone Yearbook*) or other student-created work such as student exhibits and hallway displays
- MSD website and managed pages on social media sites
- MSD publications such as the *Maryland Bulletin* magazine
- MSD videos, brochures and other informational materials

This may occur periodically during your child’s enrollment at the Maryland School for the Deaf as different publications are developed at different times and coverage of different events may vary. Sometimes these are done individually and sometimes they are taken in group photos. In all cases, any images used are always presented with the school, its students, and staff in a positive and beneficial manner. The school and its representatives will not reproduce any of the materials for monetary gain. I further release MSD, its Board of Trustees, employees, and other representatives from any liabilities, known or unknown, arising out of the use of this material.

There is no expectation of privacy during school assemblies or other large school events, sporting events, off-campus field trips or extra-curricular activities. Privacy cannot be guaranteed in public locations.

This consent form will remain effective during your child’s duration as a student at MSD. It starts with your child’s date of enrollment until graduation or withdrawal from our program. If for any reason, you need to withdraw your consent, please provide a written request to the Principal’s Office immediately. Please understand that failure to return this release form within ten (10) school days from the date of distribution will constitute approval of the above requests.
