

Day of Service in Our Neighborhoods

Saturday, September 29, 2018

Please join us for our third annual Day of Service in Our Neighborhoods. Like our founding sisters did over 350 years ago in LePuy, France, we will go into our neighborhoods and work together to address the needs we have found there. We will gather at St. Joseph Center in Orange then travel to service sites and return later in the day for refreshment, reflection, sharing, and prayer. Please see the schedule, service site, and other information below, then fill out the form for options about how to participate in the day.

If you're new, we may have a t-shirt for you, but supplies are limited so wear a light blue shirt if you can. Light blue is a symbol of peace and unity for all.

There is a registration fee of \$10, which will be used to purchase gift cards that will be donated to local organizations serving homeless persons.

We ask that you bring your lunch and a reusable water bottle.
