Access Your Child's STAAR Scores

1. Go to www.texasassessment.com and click inside the purple box that says "Log in to Student Portal".

2. Then click beside the blue arrow that says "Lookup Access Code."

3. This screen will ask for your student's first name, PEIMS ID (this is their social security number) and finally their birthday. Press "Go"

4. The Access Code will be shown and you will then be able to proceed to your child's results by clicking the blue Go button.

Paper copies of these results will be sent home when school resumes in August.
