August 24, 2020

Dear Families –

With school now in session, I would like to thank you for your commitment to your child’s learning, and for your partnership and patience with us during these abnormal times.

If you have not connected with your child’s school yet, please do so immediately. We are committed to student learning, and FCS staff have been going door-to-door to help families get connected.

Please note: the district expects to remain online until further notice—we will not be returning for face-to-face learning on September 14. We will continue to work with state and local health experts to determine when we believe it is safe to bring our students and staff back to school.

As online learning continues, we encourage you to talk to your neighbors, friends and family to remind them it’s time to get online. If you or your child have questions about technology or needs, please contact your child’s school directly, email superintendent@flintschools.org, or call 810-760-1883.

Additional updates can be viewed on the district website, www.flintschools.org. We are dedicated to your child’s learning and thank you for your ongoing support.

Your partner in education,

Mrs. Anita J. Steward
Superintendent
