This coming school year, each class will again receive supplies purchased by Ka Ho'olako. We will continue to focus on supplies that the whole class can use, like Clorox wipes, Kleenex, Ziploc bags, etc. This special funding is for this school year and will be re-evaluated on a yearly basis. Mahalo to all the families who participated and helped in our fundraisers, especially at Pūlama Mauli Ola, which has enabled us to bless our students, families and classes.
