The meeting convened at 6:02pm.
In attendance: DAVILA, FARSTER, GORSKI, NEWMAN, PAVICHEVICH, PEDERSEN, PHUTHAPHAN, VEGA [arrived 6:28pm], YEE
Not attending: CHINCHILLA, CORDERO, REYNOLDS, ZEHREN

PUBLIC COMMENT

None.

APPROVAL OF MINUTES

Ms DAVILA moved to approve the minutes from June and July, seconded by Mr FARSTER. The motion was approved unanimously.

INTERNAL ACCOUNTS AND SPENDING

No reports were available from CPS.

PRINCIPAL’S REPORT

Our Junior Varsity Volleyball team won their division this year, they are playing Lane tonight. Other teams are doing well also, and we are excited about the performance of our athletic teams.

Ms PAVICHEVICH participated in a press conference with Senator Durbin and Mayor Lighfoot about vaping, and has been invited by the mayor’s office into participate in a closed door session to discuss vaping policy.

The district has assigned Ms PAVICHEVICH a new principal to mentor, at a special education self-contained school.

Our enrollment was measured as 1,386 on the 10th day, and 1,384 on the 20th day. We are slated to get $143,000 in additional budget allocation for the year. We don’t feel overcrowded because we have an extra lunch period in the schedule this year.

We expect to write and receive grants as well for boot camp, and we’ve received a grant of $8,000 for the band.

The athletics advisory council is having a fundraiser Thursday, and getting a lot of good feedback.
There is a risk of an impending strike. The school building will be open in the event of a strike. We don’t know if we will be designated as a “receiving school”. The strike, if it happens, may cause the homecoming game or dance to be rescheduled. We don’t know what will happen in part because the Chicago Park District may also have a strike.

PSAT testing is scheduled for the day before the strike, and the plan currently is that testing will take place as scheduled. We want to have the best testing environment possible, as it is an attendance day for all students, including those not testing (i.e. in other grades). Two students have accommodations that will have them take more than the one day for the test, and it is not clear how those accommodations will be impacted by the strike.

The LSC discussed making a request to the alderman’s office to help with relocating the Divvy bike station to the other side of the street, to improve traffic flow and student safety, especially on field trip days when they prevent busses from staging safely in front of the school.

**CHAIR’S REPORT**

The post-secondary leadership team was asked by the district city-wide community to make a presentation on best practices.

**FRIENDS OF AMUNDESEN**

The planning for the big “Raise the Sails” fundraiser is starting for this year. We are in the process of identifying specific fundraising needs and goals.

There is a whole batch of Amundsen spirit-wear available.

**ADJOURN**

*The LSC adjourned at 6:53pm.*
