Vehicle Registration Instructions

1. Please have the registration form completed when you come to the office to receive your parking decal.

2. Each vehicle in Mississippi must have current proof of insurance. The form must be signed by parent/guardian who is listed on the insurance card. This will confirm that the student is insured and he/she is authorized to operate that vehicle.

3. The student must have a valid Mississippi driver’s license. This does not apply to military dependents; they may operate a vehicle provided that they have a valid out of state license.

4. Registration will cost $25 for each vehicle. Checks must be made out to "Ocean Springs High School", have a street address (no p.o. box), 2 telephone numbers and the student’s name. Cash will also be accepted.

5. Student must have parental consent for the random drug testing program on file for the current school year.

6. Seniors, juniors, and sophomores can park on campus. Students are not assigned spaces so there is no need to rush.

7. Parking rules and regulations may be found in the OSHS handbook. Students are responsible for reading and following these rules and regulations.
