

Monte Vista Middle School

Dear Monte Vista Families,

It is with great pride and excitement that I write this letter of introduction to you as the new Principal of Monte Vista Middle School. I am honored to have the opportunity to lead a school with such a great history of success. I have been in the field of education for more than ten year. I have worked with students at the middle school, high school, and college levels. My most recent experience was in Palm Springs Unified School District where I served as Assistant Principal at Desert Springs Middle School. I am excited and eager to bring my skills as an educational leader to Monte Vista Middle School and work with you as a partner in education to ensure your child's success.

Along with the teachers and staff, I will work hard to continue the success seen by MVMS by building strong relationships with parents, students, and community partners. We will focus on social-emotional learning, writing, and the use of data to drive instruction. We will continue to deliver best first instruction to every student at Monte Vista Middle School.

All of us at Monte Vista Middle School are eager and excited to begin the best year ever. This year we will continue to provide experiences for our students that are rigorous, relevant, and help them to build relationships while making real world connections. As your Principal, it is important to me that everyone who steps through our doors are excited and happy to be here. My door is always open and I welcome your input. Please feel free to call or email me to discuss any concerns you might have throughout the school year.

I look forward to working with you as a team to help each student at Monte Vista Middle School meet their goals and have a successful year!

Regards,

Dr. Jessica Miller
Principal
