

## December 2018 Parent Newsletter

Dear Parents or Guardians:

This is a friendly reminder to register for “PupilPath.com” website to bring you immediate information regarding your child’s education. PupilPath.com allows you to view the following: Your child’s assignments and projects along with due dates. Your child’s performance in each class including homework, classwork, tests and projects. Progress reports from teachers throughout the school year. Handouts and assignments when your child is absent from school. Your child’s transcripts and graduation eligibility status. You can also track your child’s attendance.

We hope that by enabling you to see this information on a daily basis we will be able to work together to ensure that our children remain on track in every class. To register into PupilPath.com, go to <https://pupilpath.skedula.com/> and click “Parent Register” if you are the parent/guardian. If you have any difficulty signing into PupilPath.com, please contact Ms. Delgado at 212-780-9175 Ext:3005 or [Ndelgado14@schools.nyc.gov](mailto:Ndelgado14@schools.nyc.gov)
