Dear Parents/Guardians

The 2019 Santa Ynez Valley Union High School Summer School offering is unfortunately limited this summer due to staffing issues. The main subject area affected is math. Students who have earned an "F" grade or who wish to improve a "D" grade in a math course will need to explore other means for improving those grades. Also, since enrollment is on a first come first serve basis, some students may find that classes they wish to enroll in after they receive their second semester grades are full. These students need to consider other options for improving grades, too.

As math courses are sequential and a student must pass one course in order to take the next one in a sequence, students not meeting pre-requisites should definitely pursue improving the failed and non-eligible pre-requisite grades before school begins on August 14th. If an "F" or "D" grade is not improved before the start of school, the student will not be allowed to move forward in the sequence. For some, this can jeopardize graduation as the school requires three years of math to meet graduation requirements. Many other non-math courses also have grade pre-requisites. Students should be sure to check the registration guide for the pre-requisites of the courses they wish to take. The registration guide is on the web <https://www.syvpirates.org>

Below are two independent fee-based institutions which students may contact to enroll in courses.

Silicon Valley: <https://svhs.co/course-catalog/>

BYU: <https://is.byu.edu/catalog?school=11&subject=All&search=&type=All&credits=All&special=All>

Again, we are sorry, that we are unable to provide math courses this summer at the high school. If you have questions regarding your student's options, please contact you son or daughter's counselor before the counselors leave for the summer on June 11th.

Danielle Lageman - student last name A-G, 688-6487, ext. 3211, dlageman@syvuhsd.org (only until June 10th)

Jon Morris - student last name H-O, 688-6487, ext. 3210, jmorris@syvuhsd.org

Alfonso Gonzalez - student last name P-Z, 688-6487, ext. 3321, agonzalez@syvuhsd.org

Respectfully,
Mark Swanitz
Principal
