Patrick D. Jenkins,
Superintendent

August 1, 2018

Dear Family of Northeast Elementary:

Our schools are committed to providing a **high-quality** educational program for your child. The St. Landry Parish School System is working hard to provide programs to help **all** students succeed in our school district.

As a new enrollee, in accordance with Louisiana's Public School Choice Policy, we are required to inform you that your child is enrolled at **Northeast Elementary** that received a grade of "D" in 2017-2018 based on 2016-2017 student performance. Northeast Elementary received a School Performance Score of **53.7**. At the present time, the Louisiana Department of Education will not be releasing new letter grades based on student's performance in 2017-2018 until late October. As a result of the letter grade, you have the choice to transfer your child to a higher performing school in the district. **This decision is entirely up to you.** Your decision should be based on what you think is best for your child. **If you choose to have your child remain at his or her current school, do not apply for a School Choice transfer.** We are providing families with this option as required by state policy.

If you are interested in transferring your child(ren) to a higher performing school for the 2017-2018 school year, you may select from the schools listed on the following page. On the enclosed application, next to the number 1, write the name of the school that you desire as your preferred first choice, next to the number 2, write the name of the school that you desire as your preferred second choice, and next to the number 3, write the name of the school that you desire as your preferred third choice. Your preference will be taken into consideration providing that the receiving school has available **capacity** at the grade level to accept your child. **Enrollment under Louisiana Public School Choice shall be only for the 2018 – 2019 school year. The deadline for applications is three days after enrollment.**

If your transfer is approved, you will have to provide transportation for your child to the receiving school. Transportation will not be provided by the district.

We will send official notification to you (by mail) as well as to the sending and receiving schools. Upon notification from the district, students must register to attend the receiving school within five days of approval. Students are to remain at the receiving school for the 2018 – 2019 school year.

If you have further questions about the School Choice Program, you may contact Trina Preston, Supervisor of Instruction, School Choice, and School Improvement at 337-948-3657 ext. 10709.

Sincerely,

Patrick D. Jenkins
Superintendent

"An Equal Opportunity Employer"
