

Dear Parents,

This is a reminder that the district will be continuing with the online registration process that we began this last school year. The paper registration will be reserved for new incoming students to the district. Online registration will be open August 26th and will stay open through September 6th. **This process must be completed in order for you to find out who your child's teacher is, which is under the scheduling tab in Skyward. (If you are a new student in grades K-6 for the 2019-2020 school year, you do not have to do the online registration. Once you have completed all paperwork, we will contact you either by phone, letter or at the Back to School Day on August 27th to let you know who your child's teacher is).** To access the registration process, go to www.csd300.com and click on the **Resources Tab and then Skyward Family Access**. You will need your Skyward user name and password. If you have forgotten them or if you have never received them, please contact the JES office @397-2181 on or after August 26th. Once you have logged into Skyward, click the on the online registration for each of your children and follow the prompts. If you do not have access to a computer, there are computers at the Whitman County library or we will have a laptop available August 26-Sept. 6 from 9AM-12PM & 1PM-3PM.
