

Bridging The Gap

Fundraising Initiative 2018-19 School Year

**CELEBRATING
30 YEARS
of Academic
Excellence!**

**Best Public
High School
#2 NY / #5 US**

**“We make a living by what we get. We make a life by what we give.”
—Winston S. Churchill**

What is it?

Each year we ask families to make a monetary donation to cover the items not funded by the Department of Education.

Funds generated through our “Bridging the Gap Initiative” are used to help the school to purchase items that the Department of Education’s budget is unable to support.

PARTICIPATION MATTERS!

Our Goal is 100% family participation

GIVE WHAT YOU CAN!

Full ask is \$500 per family, however, we ask families to give what they are comfortable giving

GIVING OPTIONS

Feel free to give a one-time gift or explore our monthly giving options

What do the funds cover?

Your generous contribution helps us purchase items that are not covered by the school's budget; including the following from years past:

- E textbooks
- Sports equipment & transportation costs
- Computer Room equipment
- Facility upgrades (Computer lab, library, auditorium, classrooms, etc.)
- Guest speakers and professional development for teachers

This year, in celebration of SI Tech's 30th Anniversary, our goal is to raise funds to update our classrooms to be a 21st Century learning facility. Projected cost for the first phase of this project is \$135,120. This represents the cost of renovating 8 classrooms.

The suggested donation amount is \$500 per family. However, you are not required to give the full ask; please feel free to contribute the amount you are most comfortable giving. In the past parents have given anywhere from \$50 to upwards of \$1000. We are grateful for ANY amount donated - Every Dollar Counts!

**Our GOAL is 100%
Family Participation!**
