

# The Big 5

- 1. The Common Core State Standards (or other approved curricula where the CCSS do not exist) are our adopted curricula.**
- 2. We work collaboratively to identify & align enduring understandings of CCSS.**
- 3. We work collaboratively to identify learning targets for daily lessons.**
- 4. We work collaboratively to assure authentic assessments are utilized for each enduring understanding and the corresponding learning targets & will include a level of rigor necessary to prepare students for high stakes assessments.**
- 5. We work collaboratively to identify and implement appropriate differentiated instruction, interventions & enrichments to support student learning.**
