It is the law!

Principal's News

We are so excited to begin our second semester! The Christmas break provided a time of rest for our students and teachers and now we will begin our learning adventure with fresh minds that are eager to learn.

Winter brings many cold days. Please be sure that your child wears a coat each day. Please put his/her name on the inside of the jacket. It is very hard for us to identify lost jackets that are not labeled.

Connect with us...

Please make sure that you keep all student information up to date. We need your current address, phone numbers, and a list of pick up contacts on file at all times.

Also, please be sure that we have on file a copy of any legal documents pertaining to custody, visitation rulings, and any other vital information regarding your child's safety and well-being.

School Rules

Our school is a School Wide Positive Behavior Support School. (SWPBS). Our students have three rules that are used in all classrooms and throughout the building. Our rules are:

I AM RESPECTFUL, I AM READY,
I AM RESPONSIBLE

AFTERSCHOOL News

After school begins Monday, January 7th. Please review your child's schedule and make every effort to have them attend on their scheduled days.

Focused on Learning

Our school is focused on student achievement. Each morning we begin with a 30-minute intervention/enrichment period. Each student has been placed with a teacher who leads an instructional group that is designed to meet their academic needs. Please help us by having your student to school on time each day so that they will not miss this important start to a great day of learning.

Please keep your child's nametag visible in car line at all times. All cars should have names of students for pickup visible in front windshield.

Attendance Counts!

Please have your child on time for school each day.
