### Whitehouse ISD School Board Meeting Summary May 18, 2018

The Board of Trustees held a regular public meeting.

The Board of Trustees opened the meeting with Recognitions hosted by Superintendent Dr. Chris Moran.

-Recognitions included, but are not limited to:

-UIL academic championship winners including 5A Biology winner Tasnia Bari

-UIL State Track and Field triple jump competitor Jazmin Ray

- Public Hearing

- Four people signed up to speak during open forum on behalf of the Whitehouse Wrestling Club. Their message to the Board urged for their support to make the wrestling program a UIL sport.

- Information items included, but are not limited to:

- Preliminary STAAR scores

- Assistant Superintendent of Curriculum and Instruction Dr. Trampas Bass introduced Whitehouse Elementary and Junior High principals to discuss preliminary STAAR results for 5<sup>th</sup> and 8<sup>th</sup> grade students. Principals discussed the multiple areas of growth and the excitement it has brought to campuses.

- Construction Update

- WRL presented a power-point showcasing the progress made on current construction projects with an estimated timeline for most projects, including a possible completion date of June 2018 for the new Brown Elementary campus.

-Memorandum of Understanding with Whitehouse and Tyler Police Department

-Because the new Brown Elementary campus is located within Tyler city limits, in the event of an emergency, Tyler Police and Tyler Fire will respond until Whitehouse School Resource Officers arrive on campus.

- Action Items included, but are not limited to:

- Consent Items that involved approving Board meeting minutes, monthly financial reports, tax report, donations.

- Consider approval of a new high school course: Welding Two

-Consider approval of an Out of State Trip for High School FCCLA and Student Council

- Reports from the Superintendent included, but are not limited to:
  - New hires, resignations/terminations, and retirements
  - Construction timeline and physical moves
