

Spanish 1B Study Guide Credit by Exam for Credit Recovery or Acceleration

The exam you are interested in taking is designed to test your proficiency in the relevant subject matter. You should be thoroughly familiar with the subject matter before you attempt to take the exam. This CBE CR/A Study Guide can help you prepare for the exam by giving you an idea of what you need to review. You can check your familiarity level by reviewing the Texas Essential Knowledge and Skills (TEKS) for this course. (See below.) To refine your skills, you can refer to any of the state-adopted textbooks.

Texas Essential Knowledge and Skills (TEKS)

Every question that appears on this exam is derived from the knowledge and skills statements and student expectations within the Texas-mandated standards, the Texas Essential Knowledge and Skills (TEKS). You can view the TEKS for this exam online via the following link: <http://ritter.tea.state.tx.us/rules/tac/chapter114/ch114c.html#114.39>. Refer to section (c), Knowledge and skills, 1A–3B. Throughout this guide, you’ll see TEKS references. These refer to the numbers listed under (c) Knowledge and skills; for example, 1A or 2B.

Materials Needed

You will need to bring a #2 pencil to complete the exam. You will receive a computer-graded answer sheet when you arrive at the testing center. In addition, you can complete the listening and speaking portions of the exam in one of several ways:

Online: The testing site will provide a computer with Internet access and a headset with a microphone.

CD-ROM: The testing site will provide an exam CD and listening/recording device. **You** must provide a blank, recordable CD.

Cassette Tape: The testing site will provide an exam tape and tape player. **You** must provide a blank cassette tape.

IMPORTANT: *Please check with your testing center in advance to see which of the above options are available to you!*

Exam Structure

You will be allowed **3 hours** to complete this exam. This exam consists of the following five parts, for a total of 100 points:

Part 1: Speaking: 5 prompts with a 6-point rubric for all prompts for a total of 30 points

Part 2: Listening: 10 questions at 1 point each for a total of 10 points

Part 3: Simulated Conversation: 20 questions at 1 point each for a total of 20 points

Part 4: Reading: 10 questions at 1 point each for a total of 10 points

Part 5: Writing: 5 prompts with a 6-point rubric for all prompts for a total of 30 points

Part 1: You will record your answers in the approved manner (online, on CD, or on cassette) and return the recording with your completed exam. **DON'T FORGET!** Students sometimes forget to include the recording with the exam, or they fail to mark their name and Student Identification Number in a clearly visible manner on the recording device.

Parts 2, 3, and 4: These sections consist of multiple-choice questions. Use your computer graded answer sheet (“bubble sheet”) to fill in the answers. **WARNING:** You must fill in each bubble completely or the answer may not scan correctly. Also, be careful not to bend or crease the sheet, or it may not scan properly. In addition, be aware that questions left blank, improperly erased, or with more than one answer will be counted **wrong**.

Part 5: You will need to write your answers in the space provided for each question. You can attach an extra sheet of paper if necessary.

Scholastic Honesty

When you arrive at the testing center, you will be asked to carefully read the exam rules and sign a statement agreeing to take the exam in accordance with the rules. This is called the Examinee’s Certification. The following is a copy of these rules:

Examinee’s Certification

This certification must be signed *before* the exam is administered and then returned with the completed examination attached, or credit for the exam will not be given.

Scholastic dishonesty is a serious academic violation that will not be tolerated. Scholastic dishonesty encompasses, but is not limited to:

- copying from another student’s work;
- using an unauthorized testing proctor or taking the exam at an unauthorized testing location;
- using materials not authorized by a testing proctor;
- possessing materials that are not authorized by a testing proctor, such as lessons, books, or notes;
- knowingly using or soliciting, in whole or part, the contents of an unadministered test;
- collaborating with or seeking aid from another student without authorization during the test;
- substituting for another person, or permitting another person to substitute for oneself, in taking a course test or completing any course-related assignment;
- using, buying, stealing, or transporting some or all of the contents of an unadministered test, test rubric, homework answer, or computer program.

Evidence of scholastic dishonesty will result in a grade of *F* on the examination and an *F* in the course (if applicable).

At the testing center, you will be asked to sign a statement that says you have read the above and agree to complete the examination with scholastic honesty.

Additional Study Tips

The following information provides direction for your studies and sample questions for each part of the exam. For each part, you will find study tips and sample questions to give you a general idea of the types of questions to expect. For the writing and speaking sections, you will also find rubrics to help you understand how your answers will be graded.
