Dear Parents and Guardians of the Class of 2020:

The scheduling process for the 2020-2021 Spotswood High School freshman class will begin shortly!

Spotswood High School guidance counselors will visit our 8th graders during first period on Tuesday, January 21st to provide an overview of course offerings. Students will receive a course selection sheet which they will take home to review with their parents. These courses represent the elective courses the students can choose from. These courses do not come with a recommendation from Joyce Kilmer teachers and can solely be selected by students and parents. Prior to the actual scheduling visit in February, Spotswood counselors will have been provided suggested placements for your child's core subjects (Math, Language Arts, Science, Social Studies) by the Joyce Kilmer teachers. It is important to remember, that as a parent, you have the option to forgo the Joyce Kilmer teacher recommendation, and opt your child into an alternate core subject section. This process can be discussed with the Spotswood counselors at the scheduling appointment, or at the SHS orientation.

Parents are invited and encouraged to attend an orientation to be held in the cafetorium at the high school on Tuesday January 28th at 6:30pm. Please review the attached flyer from Spotswood High School for complete details.

Student scheduling will take place at Joyce Kilmer School on Monday, February 3rd. You will receive a letter inviting you to meet with a member of the Spotswood High School guidance department to develop a schedule for next year.

Thank you for your attention to these matters. Should you have any questions, please call the Joyce Kilmer Main Office at 732.214.2370.

Sincerely,

The Open House is an important event for all parents who are currently determining the future course of their child's education. Our agenda includes presentations from our assistant principal, Mr. Mastroserio, our school counseling chair, Ms. Buchanan, and myself on a variety of topics, including:

- SHS Academic Offerings

- Counseling Programs
- Extracurricular Opportunities (please note that SHS Extracurricular Night is scheduled for May 6, 2020 at 6:30pm)

Additionally, you will have an opportunity to tour the facility with our student leaders and have questions addressed. Please note that while students are welcome to attend, this program is designed for parents. A student orientation will be held closer to the start of the 2020-2021 school year.

In concert with this event, SHS School Counseling Services will be visiting our sending schools to schedule students for the 2020-2021 school year. Individual appointments will be scheduled with students from Parochial schools.
