Behavior Expectations:

Stay Safe - Show Respect - Be Responsible - See the good in others -
Always be a learner

Attendance

Attendance is more than just being physically present when the teacher takes attendance. Attendance represents a family's commitment to their child's education, and ultimately their future. Great attendance signifies a parent's pledge to encourage their child to discover what their strengths and interests are, and learn to overcome challenges, which is fostered and nurtured in the school environment. Schools are responsible for teaching children how to become active, productive citizens. However, schools can't accomplish this goal if students are not there. Parents don't forget to make the commitment to make attendance a priority for your student as well!

180 school days in a school year

Attendance goal

96% = 3 absences or less total by
December 10

Awesome job to the **688 students** who are meeting our attendance goal!

Congratulations to the 307 students who had **PERFECT ATTENDANCE** the first 50 days of school.

Winners of our **Monthly Classroom Attendance Challenge** (the highest school-wide classroom attendance) during the month of November:

Principal's Message

Much has happened at our school since the last newsletter went home. Our school surpassed the reclassification goal for our English Learners. We held very successful and fruitful parent/teacher conferences. Finally, we celebrated the hard work of our students during our annual first reporting period Awards Assemblies. Way to go Plummer Panthers!

The month of December is short, but full of wonderful activities. We are currently holding our fall book fair, which is a very popular event! Please stop by the library if you have not done so yet! We will hold our annual Pajama Day and Literacy Night on Thursday, December 6. Last, but not least, our kinder, 2nd, 4th & fifth graders will perform at our annual Holiday Music program on Wednesday, December 12. The other grade levels will perform in the spring time.

We are already looking to our second semester starting in January. The Plummer PTA is planning its first fundraiser so please start preparing to support us!

The Plummer staff wishes you a peaceful holiday season!

Merry Christmas! **Happy Hanukkah!** **Happy Kwanza!**

Did you sign up for Schoology and the Parent Portal? It is very important to do so!
