### School Description

Vision: Every student is prepared for success in college, career, and community.

Mission: Every student will engage in rigorous, relevant, standards-based instruction in every classroom every day to ensure student learning.

Madison operates under the same Guiding Principles as Central Unified School district. It holds to the belief that all students can learn.

Madison Elementary School, with an attendance area of approximately 14 sq. miles, lies in a rural setting. The campus is situated on 17.5 acres in Fresno County, surrounded by farms, a dairy, and single family residences. The school is over 100 years old and has been at its current site for over 50 years. The attendance area has expanded to include the full spectrum of housing, i.e. trailer courts, migrant farm housing, apartment complexes, and affordable, entry level housing. The demographics of the student population reflect a low socioeconomic level school with 88% of the students qualifying for free or reduced lunch. The ethnic/racial composition of the student body is 72% Hispanic, 10% Caucasian, 10% Asian, 5% African-American.

## About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

\*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Central Unified Schools maintain current and standards-aligned instructional materials in good repair, for all students. Materials are locally adopted and reflect programs currently approved by the State Board of Education. All materials currently adopted reflect the most recent SBE adoptions and support the current California Frameworks.

Every student, including English Learners, Special Education, and other special populations have their own textbook. In the case of class sets, those sets augment individual texts that have been issued to individual students. These class sets are made based on a commitment of the district administration and the governing board and are not the product of any state requirement.

All instructional materials are subject to a school and district review process. Materials may be piloted and all materials that are selected and recommended for local adoption are reviewed by teachers, administration, and any parents who wish to review the materials. The Central Unified Board of Trustees review and adopt based on the recommendation of the district adoption committees and Educational Services.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Madison Elementary sits on 17.5 acres. It is comprised of 24 permanent classrooms, 16 portable classrooms, an office building and a cafeteria multi-purpose building. Several portable classrooms are used for the library, computer lab, Special Education, resource room, music room, and after school program offices. It has a large playground including five basketball courts, four tetherball courts, hopscotch, four square, baseball and softball fields.

Madison was built in 1954 and refurbished in 1985. It is cleaned on a regular basis by one day time custodian and two night custodians. The buildings are well maintained and in very good shape.

Student safety is a high priority at Madison Elementary. There are three yard duty aides on the premises for supervision before school and at lunch time as well as two school administrators. Teachers and administrators supervision students after school until buses depart and then the after school program staff supervises students until 6:00 pm. The table below shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT). This inspection determines the school facility's good repair status. District maintenance staff ensures that repairs necessary to keep the school in good repair and work orders are completed in a timely manner. For all items inspected that were found to not be in 'good repair', a work order has been created and maintenance will be done before the end of the 2018-19 school year. Maintenance items will be prioritized so that student safety is not compromised. At Madison Elementary School, repairs completed or planned include repair of interior surfaces (ceiling tiles, carpet, chipped formica, wall paper), electrical (missing light cover, loose cover, blocked electrical panel), safety (fire extinguisher). The overall rating for this school is 'fair'.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	30.0	36.0	40.0	44.0	48.0	50.0
Math	23.0	28.0	28.0	31.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2018-19)

Madison parents are provided with numerous opportunities to participate in all aspects of school governance. The school is proud of the support and assistance offered by the Madison Parent-Teacher Association. This group of parents has traditionally provided funding for field trips, classroom resources, and student incentives. Madison's PTA puts on multiple community events each year such as Trunk-or-Treat, school carnival, and Breakfast with Santa. The School Site Council consists of a group of dedicated, well-informed parents/guardians whose input is instrumental in setting priorities in our annual categorical budgets. We also have an English Learner Advisory Committee (ELAC) who represents our English Learner demographic. The Madison ELAC provides valuable input regarding the perspective and needs of our English Learner parent and student population. Madison also provides parenting classes such as literacy nights and Parenting Partners classes. These classes provide parenting skills and support in both English and Spanish to parents. Parents are encouraged to volunteer on campus in a variety of ways. Translation and interpretation services are provided.

#### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

### School Safety Plan

School safety is a high priority at Madison. The Site Emergency Response Plan is reviewed and updated annually by the administration, with input from teachers, parents, and students. It is further discussed and reviewed with the district's School Safety Officer. The updated Site Emergency Response Plan is presented to the School Site Council which serves the role of School Safety Committee. After School Site Council approval, the plan is shared with the whole staff. All classrooms have posted fire escape exit routes, and school wide drills are scheduled routinely: monthly for fire drills and quarterly for lock down and disaster/earthquake. This ensures that all students are familiar with the correct procedures in case of a real emergency. The emergency plan was updated and shared with staff on August 13, 2018. Two-way radios and surveillance cameras have been provided.

All staff personnel and students take pride, and share in the responsibility of keeping the campus clean. There are administrators and teachers on duty during morning bus arrival and afternoon pick-up. Administrators, teachers and aides monitor the playground during all recesses.

### Professional Development provided for Teachers

Professional development is an on-going process at Madison, both for administrators and teachers. Madison teachers receive training in strategies to support English Learners which provided instructional expertise in implementing the core adoption while delivering quality instruction to our English Learner students. Madison utilizes the biweekly minimum day for additional staff development on topics that are aligned to the district's instructional department and facilitated by the principal.

Our professional development this year is focused primarily on three areas. First is supporting teachers in effective instructional practices to implement the Common Core standards. Second area of focus is on becoming more familiar with integrating technology into curriculum design. Teachers are supported in the use of technology as an educational tool within the classroom. Another area of focus is on Professional Learning Communities (PLCs) which provide time for teachers to collaborate with their grade level, analyze assessment results, identify curricular areas which need re-teaching, and share of effective instructional strategies to address certain standards within the content areas that need improvement. The Instructional coach and administration provide model lessons on the above strategies to teachers. Coaches also co-plan and co-teach lessons with teachers.

\* For detailed information on salaries, see the CDE Certificated Salaries & Benefits webpage at [www.cde.ca.gov/ds/fd/cs/](http://www.cde.ca.gov/ds/fd/cs/).

### Types of Services Funded

The types of services that are funded by Title 1 include support staff, instructional supplies, materials to support literacy and support programs. Students are assessed each year to identify support needs in each grade level. Support staff provide intervention, English Language Development support, small group classroom support and after school tutorial. Supplemental services provided through these funds include materials for English Learners, Accelerated Reader for all students, library books for all students, teacher staff development and Instructional Support Coach. These funds also support the purchase of resources such as Mind Institute ST Math. Parent support training is also offered to parents throughout the year. Funds are used to pay presenters, interpreters and for materials to implement these workshops.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
