

Social Emotional Programs & Resources for RBUSD Families

South Bay Families Connected - <http://www.southbayfamiliesconnected.org/>
Resources for students (in middle and high) and parents (in all grades) for wellness and substance use prevention. SBFC offers RBUSD parents access to free resources, education events, authentic South Bay stories from parents and teens, current videos, and resources for issues related to social media, stress, depression, peer pressure, and yes, drugs, vaping, alcohol, and more.

Care Solace – <https://caresolace.com/redondobeachfamilies>
This platform is for students struggling with substance use addiction and/or mental health issues. Care Solace is a safe, simple, confidential and efficient way to select the right provider for the individual needing care.

BCHD Crisis Line & Resource - <http://www.bchd.org/resources>
Find health-related resources and information for students, adults and families who need additional support and assistance with mental health, medical, dental, vision & hearing, substance use, and more. Contact Beach Cities Health District's Community Services Department for more information at 310-374-3426, ext. 256.

Weekly Parent Chat - <https://www.southbayfamiliesconnected.org/events>
Wondering if your child is experimenting with drugs or alcohol? Trying to manage student stress? Seeking guidance around social media and technology? A free weekly support group provided in partnership with [Beach Cities Health District](#), [Thelma McMillen Center](#), and South Bay Families Connected. All parents throughout are welcome! 10 AM at the Beach Cities Health District ([map](#))

Know the five signs.

Suicide Prevention

The Redondo Beach Unified School District acknowledges the importance of recognizing warning signs for crisis/trauma/suicide to prevent, intervene, and provide post-care for students who have considered or attempted suicide. RBUSD has implemented a suicide prevention, intervention, and post-vention policy that specifically addresses the needs of students who exhibit suicidal ideation. Included in the policy is suicide prevention awareness training for RBUSD staff and a "Know the Signs" campaign for students. Please see your school counselor for more information.

In cases of emergency, dial 911. For help, please utilize the resources below:

- LA County Suicide Prevention Crisis Line (24/7): (877) 727-4747
- Teen Line (800) TLC-TEEN (852-8336) or <http://teenlineonline.org> or text "TEEN" to 839863 between 5:30 – 9:30 p.m. to speak with peer counselors
- National Suicide Prevention Lifeline (24/7): (800) 273-TALK (8255)
- Trevor Project Lifeline for LGBTQ Youth (24/7): (866) 488-7386

The Gathering Place – Bereavement Support

The mission of The Gathering Place is to encourage healing, health, strength and confidence in those who have experienced the death (within the last two years) of a loved one. They focus is on support groups that specialize in bereavement services for adults, teens and children. (310) 546-6407

Social Emotional Programs & Resources

MIDDLE SCHOOL

Second Step

This research-based program is designed to increase students' school success and positive behavior through social-emotional learning and competencies.

Project Alert

This skills-based curriculum for RBUSD students in grades 7 and 8 provides education and skill-building to decrease substance use.

WEB

WEB, which stands for "Where Everybody Belongs" is a middle school orientation and transition program that welcomes 6/7th graders and makes them feel comfortable throughout the first year of their middle school experience. The program trains mentors from grade 8 to be WEB Leaders and positive role models who guide the 6/7th graders to discover what it takes to be successful during the transition to middle school.

BCHD Purpose Series (Available at high school level)

The purpose workshops offer students lessons to help identify their aptitudes, values and create a purpose statement and action plan towards a purposeful life.

HIGH SCHOOL

Freedom 4U (Available at elementary, middle, and high school levels)

Weekly groups designed to increase practical skills that students can apply to their daily lives, such as: social media management, improving personal relations, communication skills with friends and family, coping with stress, decision making with peers, and more.

South Bay Families Connected (Available at elementary, middle, and high school levels)

SBCHC's South Bay Youth Project provides school-site counseling and other supportive social services to children, adolescents, and families.

Project Towards No Drugs (PTND)

PTND is an effective, interactive classroom-based substance abuse prevention program that is based on more than two decades of successful research at the University of Southern California. PTND focuses on motivation and decision-making skills, which are factors that predict substance abuse and other problem behaviors among youth. (Implemented in Health)

Sprigeo

Sprigeo provides students with a mobile app and website portal where they can report potential safety threats and bullying incidents. Every year, Sprigeo prevents numerous threats on campus resulting in safer schools for students and staff.

Link Crew

Link Crew is a high school transition program that welcomes freshmen and makes them feel comfortable throughout the first year of their high school experience. Students in 11/12th grade are trained to mentor and lead, as they guide freshmen to discover what it takes to be successful during the transition to high school and beyond.

Redondo Shores Wellness Center <https://rshs.rbusd.org/>

Redondo Shores Wellness Center provides a comfortable physical space for students to access a variety of mental health services. Community providers and school mental health professionals utilize the space for group and individual therapy sessions. Daily, the Wellness Center is open for students to utilize during break and lunch with supervision from educators and mental health support staff to simply decompress.
