

Volunteers Needed for our Annual Field Day Carnival

Thursday June 13, 2019

This event can only be possible with **lots** of volunteers! It is an all-day event. Please mark the time slot that you are available to help. If you have not volunteered at the school this school year, we will be sending home a background check form with your student. It will need to be returned by Wednesday May 29th, in order for you to be able to volunteer at Field Day.
