Dear Lake Ridge Families and Students:

We are so excited to start a new year with such wonderful and supportive families. We have been working hard to plan amazing virtual learning opportunities for our students.

An iPad will be one tool that each student will need for the upcoming school year. Your student will receive a charger for their school assigned iPad that they will keep at home. The cords and bricks will need to be returned at the end of the year or earlier if your student unenrolls. So, please designate a storage spot for the charger and ensure that your student’s device is fully charged at all times. Thank you in advance for this.

Please plan on picking up your child’s iPad and additional supplies your teacher has put together.

Procedure: Please pull into the bus parking lot west of the school building and remain in your vehicle. Tell the staff member your student’s last name and teacher. They will bring out items for your student.

Schedule: If you are unable to come at your designated time, please feel free to come at the other times or call the office and make an appointment. Also, if your family has multiple last names, you may pick up all of the devices at one time.

Last Names A-L: Tuesday, August 18, 9:00-12:00 and 1:00-3:00
Last Names M-Z: Wednesday, August 19, 9:00-12:00 and 4:00-6:00

We are so excited to see all of our Lake Ridge students!

Thank you,

Lake Ridge teachers and staff
