

Due to an increase in traffic in and around the Yorktown Community Schools, the following traffic patterns have been developed for the safety of all parents, students & staff.

If you are a parent who will transporting your student to and from school, Please follow the suggestions below;

Pleasant View Elem

- All student traffic will enter the PV parking lot from River Road. Parent drop off or pick up traffic **will not be allowed** to enter from Tiger Drive thru the YHS Staff parking lot.
- Please pull as far forward as possible prior to allowing your student to exit the car. We want this to be as pleasant an experience as possible for your student. PV staff will be there to assist this process run as efficiently as possible.
If you have a student who is new to the parent drop off ... {may we suggest a few trial runs at home, giving them experience of exiting the car on their own.}
- Please do not allow your student to exit the car until your car is alongside the sidewalk. Your child's safety is our first concern!
- After dropping off your student, all drivers will be directed back to River Road where between the hours of 7:30 AM & 8:00 AM, Monday thru Friday, Yorktown Police Officers will direct you to make a **right hand turn only**.
- Keep in mind the school day does begin at 7:50 AM. Any students not in the building at this time are considered late.

Yorktown Elementary School

- All student traffic will enter from State Road 32. Continue north to the back of the lot to follow the line of traffic to the YES student drop off entrance.
- Please pull as far forward as possible prior to allowing your student to exit the car.
- The clinic parking lot is NOT in conjunction with the YES drop off process. As a courtesy to clinic patrons, Please steer clear of the clinic parking lot area at all times.
- After dropping off your student, exit via State Road 32.

Yorktown Middle School

- All drivers dropping off students @ YMS should enter from the Tiger Drive entrance and immediately turn left to follow the cones to the West side lower level entrance. Please pull as far forward as possible prior to allowing your student to exit the car. This will allow for an efficient use of time for dropping off all students.
- After dropping off your student, Please follow the cones back to Tiger Drive to exit the parking lot.
- Your student's safety is our first concern, Please do not drop your student off at an alternate location. Students should not be walking in cross traffic to enter the building.
- If your student walks to school from home, Please encourage them to use the walkways that are provided for their safety.

- At the end of the school day, school buses will be dismissed prior to the student pick up traffic is allowed to exit the lot. Thank You in advance for your patience.

Yorktown High School

- All drivers dropping off students at YHS should use the entrance on the south side of the building. Door #6.
- Staff parking, students with permission to park in Athletic Lot and school bus drop off will be the only traffic allowed on the north side of YHS. This will help to ensure the safety of the students & staff walking to and from their cars.
- All staff & those students permitted to park in athletic lot should enter from the Tiger Drive entrance. YHS athletic parking and YHS staff parking will not be accessible from River Road between 7:30 AM & 8:30 AM.
- Students who walk to school should use extreme caution when crossing the south parking lot due to student drivers, parent drop off, and school buses entering and exiting this lot.
- Please observe signs indicating the entrance and exit to the south lot at YHS. Enter the drive south of the tennis courts and exit the drive north of the tennis courts.

**Bus Service is available to all students living in the Yorktown Community School district
Our first concern is the safety of all students, staff and vehicle operators at
Yorktown Community Schools.**
