## HANDBOOK PLANNERS

Every student in grades PK-3 is issued a Handbook/Planner. This planner helps students organize, understand expectations, create timelines, set goals, monitor progress, and track their own success. The planner provides a place for students to record all assignments, the school calendar, and contains THIS handbook.

-

The planner is an effective learning tool for students, a vital communication tool for parents, and a real teaching tool for educators. **The students are required to use their planners every day.** We trust that through the cooperative efforts of all concerned, we may help our students achieve their full potential at Varnville Elementary. One handbook/planner is issued FREE to each student. Lost or misplaced planners MUST be purchased for \$5.00. Please check the planner daily.

Do NOT tear pages out of the BEARBOOK.

-

Parents **must** sign the planner daily.
