School Description

Stockdale High School (StHS) is one of 18 comprehensive high schools in the Kern High School District. The district encompasses 2,813 square miles, serving over 38,000 students, and is the largest 9-12 high school district in California. StHS serves a middle class suburban community in southwest Bakersfield. The student population of 2350 is diverse, both academically and culturally. The ethnic make-up of StHS includes: 37% Hispanic, 35% Caucasian, 20% Asian, 7% African-American, and 2% other races.

Providing a comprehensive educational program where students are able to learn and thrive is a driving force at Stockdale. The certificated staff includes 86 teachers, four administrators, five counselors, librarian, school psychologist, and part-time activities and athletic directors. Classified staff includes the plant supervisor, cafeteria supervisor, office supervisor, police officer, and 63 other classified support staff members. Together StHS staff offers a variety of programs to address student needs and interests in preparation for post-secondary endeavors. These programs include: English Language (EL), Special Education (Mild-Moderate and Moderate-Severe), Gifted and Talented Education (GATE), Honors, Advanced Placement (AP), Advancement Via Individual Determination (AVID), Medical Academy (MASH), Project Lead The Way (PLTW), a Financial Services Program, as well as, Media Arts, and Computer Science pathways. StHS offers 21 different Advanced Placement (AP) courses including: World History, U.S. History, U.S. Government, Macroeconomics, Microeconomics, Psychology, Environmental Science, Chemistry, Biology, Physics, English Language, English Literature, French Language, Spanish Language, Spanish Literature, Calculus AB, Calculus BC, Statistics, Principles of Computer Science, Studio Art, and Music Theory. The Financial Services Program offers courses which, in conjunction with Kern Schools Federal Credit Union, operate an on-campus, full-service credit union run by students. MASH is an academy that prepares students for a wide variety of post-secondary medical-related careers ranging from employment as a veterinary assistant to participation in a university pre-med program, the partnership academy is currently transitioning to the PLTW Biomedical Science Pathway. StHS added the PLTW Engineering pathway to support students interested in pursuing Engineering in college. PLTW courses engage students in real-world challenges to make them better problem solvers, collaborators, and thinkers. To augment the programs available on site, the district's Regional Occupation Center offers StHS students additional opportunities for school to work programs and certifications. Each program both on and off site, has been developed with the goal of providing all students with the skills and opportunities they need to meet their educational and career needs.

StHS offers specialized support services to all students. StHS have access to college and career counseling, various intervention supports including conflict mediation, group counseling, community counseling and tutoring. Students and faculty are also involved in numerous community service activities and annual drives, which provide for needy groups in our community (including hygiene projects, food, toys for kids at Christmas, backpacks, blankets, and clothing). In addition there are numerous co-curricular and extra-curricular opportunities available to students. Athletics, Drama, Vocal and Instrumental Music, Dance, Student Leadership, Color Guard, Forensics, Yearbook, Science Bowl, Mock Trial, and Academic Decathlon involve more than 800 students. Since its opening in 1991, Stockdale High School is recognized as a leader in Kern County because of its commitment to providing a comprehensive and challenging educational environment with strong academic programs, athletic teams, and service to community with continual parent and student involvement.

With the implementation of PBIS (Positive Behavior Interventions and Supports), Stockdale embraced the PRIDE acronym, credited to the collaborative efforts of stakeholders. The school vision is the manifestation of our collective goal, it's a statement that exemplifies our shared commitment to supporting student development in all areas, academically, socially, and emotionally. It reads: Stockdale High School is dedicated to providing comprehensive and challenging educational programs, empowering students to demonstrate perseverance, responsibility, integrity, determination, and excellence in a rapidly changing world.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

2017-18 Student Enrollment by Grade Level	
Grade Level	Number of Students
Grade 9	606
Grade 10	571
Grade 11	543
Grade 12	542
Total Enrollment	2,262

2017-18 Student Enrollment by Group	
Group	Percent of Total Enrollment
Black or African American	6.2
American Indian or Alaska Native	0.6
Asian	14.3
Filipino	4.9
Hispanic or Latino	42.0
Native Hawaiian or Pacific Islander	0.1
White	27.7
Socioeconomically Disadvantaged	34.3
English Learners	1.9
Students with Disabilities	6.7
Foster Youth	0.6

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Teacher Credentials			
Stockdale High School	16-17	17-18	18-19
With Full Credential	79	85	85
Without Full Credential	0	0	0
Teaching Outside Subject Area of Competence	0	0	0
Kern High School District	16-17	17-18	18-19
With Full Credential	♦	♦	1700
Without Full Credential	♦	♦	216
Teaching Outside Subject Area of Competence	♦	♦	12

Teacher Misassignments and Vacant Teacher Positions at this School			
Stockdale High School	16-17	17-18	18-19
Teachers of English Learners	0	0	0
Total Teacher Misassignments	0	0	0
Vacant Teacher Positions	0	0	0

* Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

*Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

School Facility Conditions and Planned Improvements (Most Recent Year)

Kern High School District (KHSD) facilities are maintained in a manner that assures safety, cleanliness, and functionality. KHSD Safety Inspectors and the Maintenance and Operations Department conduct annual inspections as determined pursuant to a Facility Inspection Tool (FIT) developed and approved by the State of California, Office of Public School Construction (OPSC). The FIT evaluates a school facilities' good repair status with ratings of "good", "fair", or "poor." The instrument does not require capital enhancements beyond the standards to which the facility was designed and constructed.

Improvements come from the District Maintenance and Operations budget and the school's Principal's budget. The District participates in the State School Deferred Maintenance Program for major repair and replacement of existing school building components. Typically this includes roofing, plumbing, heating, air conditioning, electrical systems, interior and/or exterior painting and floor systems.

Based on the averages of all of the categories below, Stockdale received a 96.13% rating on the FIT report, which equates to an overall repair status of GOOD.

School Facility Good Repair Status (Most Recent Year) Year and month in which data were collected: August 2018		
System Inspected	Repair Status	Repair Needed and Action Taken or Planned
Systems: Gas Leaks, Mechanical/HVAC, Sewer	Good	99.34% rating on most recent fit with 2 "Ds" noted in Mech/HVAC
Interior: Interior Surfaces	Poor	73.51% rating on most recent FIT with 40 "D"s noted for interior surfaces, there are some stained tiles.
Cleanliness: Overall Cleanliness, Pest/ Vermin Infestation	Good	100% rating on the most recent FIT report for cleanliness
Electrical: Electrical	Good	97.40% rating on the most recent FIT for Electrical
Restrooms/Fountains: Restrooms, Sinks/ Fountains	Good	100% rating from most recent FIT for restrooms, sinks/fountains
Safety: Fire Safety, Hazardous Materials	Good	99.03% rating on most recent FIT with 3 "D"s noted in fire safety and hazardous materials.
Structural: Structural Damage, Roofs	Good	100% rating on most recent FIT for structural damage and roofs, with no deficiencies noted.
External: Playground/School Grounds, Windows/ Doors/Gates/Fences	Good	99.35% for External on most recent FIT. Paint sometimes adheres poorly to doors
Overall Rating	Good	

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	77.0	71.0	51.0	49.0	48.0	50.0
Math	42.0	41.0	21.0	22.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter

Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students						
Subject	Percent of Students Scoring at Proficient or Advanced (meeting or exceeding the state standards)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

Grade Level	2017-18 Percent of Students Meeting Fitness Standards		
	4 of 6	5 of 6	6 of 6
9	16.5	25.5	35.6

* Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

**School Year 2017-18 CAASPP Assessment Results - English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	536	528	98.51	70.83
Male	270	265	98.15	63.77
Female	266	263	98.87	77.95
Black or African American	26	26	100.00	57.69
American Indian or Alaska Native	--	--	--	--
Asian	70	70	100.00	92.86
Filipino	27	27	100.00	81.48
Hispanic or Latino	229	224	97.82	61.16
White	158	156	98.73	75.64
Two or More Races	15	14	93.33	71.43
Socioeconomically Disadvantaged	188	187	99.47	59.89
English Learners	24	23	95.83	30.43
Students with Disabilities	28	25	89.29	12.00
Students Receiving Migrant Education Services	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

School Year 2017-18 CAASPP Assessment Results - Mathematics
Disaggregated by Student Groups, Grades Three through Eight and Eleven

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	537	520	96.83	41.35
Male	271	261	96.31	39.08
Female	266	259	97.37	43.63
Black or African American	26	26	100	23.08
American Indian or Alaska Native	--	--	--	--
Asian	70	69	98.57	73.91
Filipino	27	27	100	37.04
Hispanic or Latino	230	221	96.09	28.05
White	158	151	95.57	50.33
Two or More Races	15	15	100	26.67
Socioeconomically Disadvantaged	190	184	96.84	27.17
English Learners	24	24	100	20.83
Students with Disabilities	30	26	86.67	7.69
Students Receiving Migrant Education Services	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018-19)

There are multiple opportunities for parents to be involved in the StHS community each year. They are actively involved, visible, supporting, and participating, at extra- and co-curricular activities, as well as, athletic competitions. The counselors and administrative team host meetings that are well attended to ensure that parents are informed, feel supported, and have insight into what to expect as students matriculate through high school. The parent center is staffed by a full-time community specialist to offer additional support to parents. These supports range from tech support (to monitor student attendance and grades) to sponsoring informational seminars to connecting families with community resources.

The formal avenues for parent involvement include School Site Council (SSC) and the Stockdale Parent Booster Organization (POSSE - Parent/guardian Organization Supporting Student Education). The SSC is a committee composed of representatives from the entire school community including, parents, students, teachers, staff, and administration. Parents are nominated and then elected at StHS "Back-to-School Night" hosted at the beginning of each school year; students are elected by their peers each spring; and certificated and classified representatives volunteer to serve. The committee meets regularly and acts as an advisory group to review the disbursement of school funds, programs, and initiatives. POSSE meets monthly to identify ways to remain connected to the school. They provide supplemental funds and volunteers to support academic, co-curricular and extra-curricular programs through several a variety of fundraising activities. They also support a scholarship program for graduating seniors by matching faculty contributions.

The Kern High School District has additional avenues that allow parents to stay involved with the schools.

- Parent representatives from each school site are invited to take part in monthly District Parent Advisory Committee meetings. Meetings provide opportunities for parents to formulate and render suggestions for program modification or improvement as well as provide an arena for timely responses to these suggestions from Title I program leadership and school/district administration.
- District parent meetings are conducted monthly with emphasis on helping parents understand school programs, educational offerings, how to advocate for their children, and how they can become more involved in their children's education.
- provide basic physical and emotional needs of students which affect success in school
- support and participate in learning activities at home with students
- participate in parent/teacher conferences, home visits, and telephone conversations

- The District supports parent involvement through Parent & Family Centers established at various school sites throughout the district. The centers are designed to provide KHSD Parents/Guardians with opportunities for parent education, school leadership, and volunteerism. Parent & Family Centers serve as the hub for parent training and create collaborative opportunities among teachers, administrators, school personnel and community members to support students and their families.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Stockdale has a comprehensive safety plan outlining procedures for staff members and students in emergency situations. Local agencies (Fire, Police, and Sheriff) have access to keys, campus maps, emergency exits, and other information to ensure a complete and appropriate response in emergency situations. Stockdale enjoys a school climate that is safe, friendly, and student supportive. In the classroom, teachers provide an environment that is conducive to learning. The Dean of Students and Assistant Dean, along with classified staff members, handle all discipline and attendance problems and are guided by the State Department of Education and Kern High School District codes and policies. Appropriate measures (counseling, intervention suspension, etc.) are undertaken, when necessary, to assure the safety and security of all students. Five campus supervisors assist a campus police officer in this effort. The part time Social Worker and Interventions Specialist coordinate with the administration and counseling teams to provide additional one on one/group counseling and mentoring to identified students.

The School Safety Plan was reviewed and approved by Site Council on October 8, 2018.

Suspensions and Expulsions			
School	2015-16	2016-17	2017-18
Suspensions Rate	4.6	5.6	3.7
Expulsions Rate	0.4	0.0	0.0
District	2015-16	2016-17	2017-18
Suspensions Rate	10.0	9.6	8.8
Expulsions Rate	0.2	0.1	0.1
State	2015-16	2016-17	2017-18
Suspensions Rate	3.7	3.7	3.5
Expulsions Rate	0.1	0.1	0.1

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Academic Counselors and Other Support Staff at this School	
Number of Full-Time Equivalent (FTE)	
Academic Counselor	5
Counselor (Social/Behavioral or Career Development)	0
Library Media Teacher (Librarian)	1
Library Media Services Staff (Paraprofessional)	1
Psychologist	1
Social Worker	.5
Nurse	.3
Speech/Language/Hearing Specialist	0.5
Resource Specialist (non-teaching)	1
Other	0
Average Number of Students per Staff Member	
Academic Counselor	471

* One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Average Class Size and Class Size Distribution (Secondary)												
Subject	Average Class Size			Number of Classrooms*								
				1-22			23-32			33+		
	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18	2015-16	2016-17	2017-18
English	29.0	26.0	23.0	32	41	54	7	12	15	57	57	54
Mathematics	33.0	28.0	27.0	18	32	33	10	6	10	51	58	57
Science	31.0	26.0	28.0	15	34	26	4	12	3	47	41	49
Social Science	32.0	29.0	28.0	19	23	29	4	1	6	41	46	42

* Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development provided for Teachers

KHSD provides ongoing, subject-specific Professional Development to strengthen the instructional capacity of teachers and build strong professional learning communities (PLC) within the organization. Professional Development needs are regularly assessed by examining district and site data and by consistently checking with teachers and administrators to determine the critical needs for teacher support and student growth. Teachers meet regularly to collaborate in their PLC to share best practices and review student performance data.

To support full implementation of PBIS (Positive Behavior Intervention Supports), certificated and classified staff are attending the following district sponsored trainings: Restorative Practices, Implicit/Unconscious Bias, Get Curious Not Furious, Social Emotional Learning 1.0, and Social Emotional Learning 2.0. Additional Professional Development is offered in Brief Intervention and Aggressive Replacement training for counselors and other support staff.

Both the literacy and numeracy trainings are high priorities for the district because of the numbers of students who read below grade level (about forty percent of the total student population) and/or are not algebra ready upon entering high school (approximately one-third of incoming ninth-grade students). The district collaborates with its feeder districts to leverage practices to increase the skill levels in both reading and math. It also strives to increase the college-readiness of all students by working with its post-secondary partners to reduce college-attainment barriers. One such effort focuses on ways to share data inter-segmentally in order to align curriculum better, administer college-entrance assessments efficiently, and determine the skill gaps preventing students from achieving in their first year of college.

The district often hires outside agencies to set a training benchmark. Such trainings may include building and using assessments effectively and developing teacher leaders – e.g., PLC and department leaders. The district also encourages teachers to attend conferences in their subject matter. This year, teachers attended several conferences through Solutions Tree, focusing on leadership, mathematics, and assessment, as well as local, state, and national conferences in their subject areas. Typically, once teachers return from trainings or conferences, they meet in their departments to build resources or PD based on the trainings.

The district's view on PD strikes a balance between offering local and outside trainings, as well as providing opportunities for district-wide and site-based collaboration. The ultimate goal with all the Professional Development is to maximize instruction for optimal student learning to take place each day.

The site supports additional Professional Development opportunities for staff to attend based on achieving the same goals as district that is increasing academic achievement and building instructional capacity.

FY 2016-17 Teacher and Administrative Salaries		
Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$48,347	\$50,747
Mid-Range Teacher Salary	\$69,384	\$86,127
Highest Teacher Salary	\$103,654	\$106,915
Average Principal Salary (ES)	\$0	
Average Principal Salary (MS)	\$0	\$136,636
Average Principal Salary (HS)	\$132,393	\$150,286
Superintendent Salary	\$243,483	\$238,058
Percent of District Budget		
Teacher Salaries	30.0	34.0
Administrative Salaries	4.0	5.0

FY 2016-17 Expenditures Per Pupil and School Site Teacher Salaries				
Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Restricted	Unrestricted	
School Site	\$7,526	\$1,406	\$6,120	\$79,663
District	◆	◆	\$8,611	\$74,546
State	◆	◆	\$7,125	\$85,815
Percent Difference: School Site/District			-33.8	3.5
Percent Difference: School Site/ State			-66.8	2.9

* Cells with ◆ do not require data.

The California Department of Education issued guidance to LEAs on August 1, 2018, regarding how to calculate school-level per-pupil expenditures that will be reported on 2018-19 report cards.

Types of Services Funded

The school's primary source of funding is an allocation by the district based on student enrollment. This budget provides funding for departmental and administrative costs. Department chairs submit requests for basic and supplementary textbooks, as well as, instructional supplies. The administrative team, with advisement from stakeholders, prioritizes requests and resources are allocated based on student needs. Other allotments are designated for specific program entitlements including Lottery, LCAP, Title II, Carl Perkins, English Language Development, Counseling, College Readiness Block Grant, and GATE. The administration authorizes additional expenditures consistent with school goals.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)			
Stockdale High School	2014-15	2015-16	2016-17
Dropout Rate	1.8	4.8	1.1
Graduation Rate	97.4	94.0	96.0
Kern High School District	2014-15	2015-16	2016-17
Dropout Rate	9.0	8.4	5.7
Graduation Rate	86.9	87.3	88.9
California	2014-15	2015-16	2016-17
Dropout Rate	10.7	9.7	9.1
Graduation Rate	82.3	83.8	82.7

Career Technical Education Participation	
Measure	CTE Program Participation
Number of pupils participating in CTE	586
% of pupils completing a CTE program and earning a high school diploma	100%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	100%

Courses for University of California (UC) and/or California State University (CSU) Admission	
UC/CSU Course Measure	Percent
2017-18 Students Enrolled in Courses Required for UC/CSU Admission	88.4
2016-17 Graduates Who Completed All Courses Required for UC/CSU Admission	58.5

* Where there are student course enrollments.

2017-18 Advanced Placement Courses		
Subject	Number of AP Courses Offered*	Percent of Students In AP Courses
Computer Science	0	♦
English	4	♦
Fine and Performing Arts	1	♦
Foreign Language	2	♦
Mathematics	8	♦
Science	5	♦
Social Science	12	♦
All courses	32	22.6

Completion of High School Graduation Requirements			
Group	Graduating Class of 2017		
	School	District	State
All Students	96.6	90.5	88.7
Black or African American	88.6	83.9	82.2
American Indian or Alaska Native	100.0	77.8	82.8
Asian	98.6	96.1	94.9
Filipino	100.0	98.3	93.5
Hispanic or Latino	95.0	90.7	86.5
Native Hawaiian/Pacific Islander	0.0	93.3	88.6
White	98.8	90.8	92.1
Two or More Races	100.0	93.3	91.2
Socioeconomically Disadvantaged	100.0	92.8	88.6
English Learners	25.0	63.5	56.7
Students with Disabilities	65.6	73.3	67.1
Foster Youth	50.0	90.1	74.1

Career Technical Education Programs

The Kern High School District's (KHSD) 18 comprehensive high schools, 6 continuation schools, two special education career centers, Bakersfield Adult School, and Regional Occupational Center (ROC) offer a wide variety of career pathways as outlined by the California Career Technical Education Model Curriculum Standards across the 15 industry sectors.

The collaboration between KHSD's Career Technical Education (CTE) programs and the local postsecondary schools provide a coherent sequence of courses directly related to the academic and career preparation of all students for employment in current and emerging occupations. KHSD has long been a leader in CTE programs which have been recognized locally and nationally.

The ROC offers 27 capstone classes to the local high school students and supports introduction, concentration, and capstone program offerings at the comprehensive sites. The Health Careers Academy offers a sample of the CTE programs that demonstrate the collaboration between the various educational institutions. Students may take introductory and concentrator classes at their regular high school campus, attend the Nursing Assistant ROC program during their senior year and obtain state certification, sequence to the Bakersfield Adult School's Licensed Vocational Nursing program, and finish at a local college as a Registered Nurse.

A strong relationship with the Kern Community College District Collaborative has strengthened the CTE programs at the secondary and post-secondary levels. Thirteen Partnership Academies through the California Department of Education (CDE) flourish at eight comprehensive sites, providing graduates with real-world CTE pathway experiences, state and/or career certification, and work opportunities immediately upon graduation.

Follow up studies track the Carl Perkins CTE program completers with over 90% graduation rate for student participants. The KHSD CTE Advisory Committee, representing a reflection of local business and industry partners, meets annually to make recommendations for program improvement, as well as to discuss industry trends, training needs, and local industry demands for future employment.

CTE courses at KHSD comprehensive sites are increasing rapidly with a wide range of pathways being offered at the various schools. In addition, the District continues to add resources to further improve and expand CTE offerings.

Project-Lead-The-Way, a CTE program supported by Chevron and in partnership with the KHSD, specifically supports advanced Science and Engineering programs. The KHSD also supports Virtual Enterprise programs at eight of the comprehensive schools and hosts the state-wide Business Plan Competition & Tradeshow. The district receives a variety of state and federal CTE grant funding which helps many of the CTE programs at the school sites.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
